

## Almost Two Thirds Of Americans View Media As “Truly The Enemy Of The People”; New Poll Finds

### Description

**A new Rasmussen poll has found that almost two thirds of Americans believe the media is “truly the enemy of the people”.**

The survey found that a total of 59 percent of likely voters either strongly or somewhat agree with the statement.

Among Republicans, the belief is even more prevalent at 77 percent. Only a slim majority of Democrats disagree.

The poll also noted that among Democrats there has been an 11 point drop in trust in the media.

Overall, a majority of 52 percent of Americans say they do not trust the political news they are getting from the establishment media.

Among independents, it is 36%.

This is yet another example of how Americans hold almost wholly opposite opinions to liberal corporate media narratives.

A new [Harris-Harvard poll](#) released earlier this week also demonstrated how despised the leftist media has become.
