

Two Huge Non-military Differences Explain America's Collapse and Russia's Rise

Description

US : In the US and the Western world generally the family is being intentionally destroyed, whereas in Russia the family is being raised up and strengthened.

In the US identity politics has destroyed unity and [separated races](#), genders, and classes from one another, whereas in Russia all are treated as members of one family—the Russian nation.

Compare Putin's state of the union address to those of Biden, [Obama](#), [Bush](#), Clinton. It is absolutely clear that Russia has leadership and the US does not.
