

Bilderberg Meeting Now In Washington, DC For The 1st Time Since The Pandemic

Description

USA: One of the world's most powerful meetings is now underway in Washington, DC.

More than 120 of Europe and North America's elite from the world of politics, business, big tech, media and academia are convening at the notoriously secretive 68th Bilderberg Meeting from June 2 to 5 to discuss key global issues.

The secretive summit of the global elite is taking place for the first time in three years due to the pandemic.

The CEO of Pfizer, the head of the CIA, the Director of the NSC, the VP of Facebook, the King of Holland and the Secretary General of NATO are all secretly meeting right now behind closed doors in DC.

It's called Bilderberg, & not a single major media outlet has reported on it.
