Description

There are mass arrests happening in Brazil...as we learn more we will report. Concern for civil war.

Communists have initiated mass arrests...indigenous tribal leader beaten.

Brazilians infuriated.

This is??tonight thanks to [@alexandre](#) [@STF_oficial](#) [@TSEjusbr](#) declaring war on citizens & constitution of normally relatively safe & stable nation. Communists trying to steal country & citizens won't allow it. So corrupt judiciary has now moved on to unconstitutional arrest phase. pic.twitter.com/xh57t57yc7

Indigenous people have special protection of the Law; at least until today. Once again our Constitution is lacerated by the Judiciary and the Federal Police keeps carrying out illegal orders.
