

BREAKING: China Mobilizing for Taiwan Invasion (Jeff Nyquist Interview) (VIDEO 108 min)

Description

As Pelosi visits Taiwan as part of her Asia tour, China is threatening to shoot down her plane and attack Taiwan in retaliation. As we speak, troops, missiles, and tanks are rolling through Fujian province—right along the Taiwan strait—and from all appearances, China is mobilizing for all out war. Joining me today is Jeff Nyquist to help us understand what comes next, and how this will affect America.
