

## **BREAKING LEAK: Trump Charged with 34 FELONY COUNTS – No Handcuffs, No Mugshot, No Jail Cell for Fabricated Crimes**

### **Description**

Another day, another leak.

President Trump was hit with 34 FELONY COUNTS for falsification of business records, according to a leak to the Deep State's favorite actor Michael Isikoff.

Falsification of business records is always prosecuted as a misdemeanor but Bragg elevated the case to a felony in an effort to 'get Trump' and derail his presidential bid.

President Trump will not be handcuffed and there will be no mugshot, according to Yahoo's Isikoff.

Trump will not be held in a jail cell.

The indictment is still under seal but Bragg's office is illegally leaking information to the left-wing media – leaking information from a sealed indictment is a felony.

Yahoo reported:

Donald Trump will be placed under arrest on Tuesday and informed that he has been charged with 34 felony counts for falsification of business records, according to a source who has been briefed on the procedures for the arraignment of the former president.

A New York City Police arrest report summarizing the charges against Trump will then be prepared and entered into the court system before he is led into a courtroom to be formally arraigned on the charges, none of which are misdemeanors.

But, the source said, Trump will not be put in handcuffs, placed in a jail cell or subjected to a mug shot — typical procedures even for white-collar defendants until a judge has weighed in on pretrial conditions. Manhattan District Attorney Alvin Bragg's office, which

has been consulting with the Secret Service and New York City court officials, concluded that there was no reason to subject the former president to handcuffs or a mug shot.

The stated reason for handcuffing defendants is on the grounds that the suspect might be a flight risk or a threat to the district attorney or court personnel, neither of which were judged to be relevant to the handling of a former president protected at all times by a phalanx of Secret Service agents.

President Trump landed at New York's LaGuardia Airport in Queens on Monday afternoon.

President Trump will spend the night at Trump Tower New York and will show up to court for his arraignment on Tuesday at 2:15 pm ET.

Trump's lawyers will immediately file a motion to dismiss after they have the opportunity to review the indictment.

Recall Michael Isikoff was involved in the Deep State's attempt to oust Trump from office.

No one in the media is more accommodating to the deep state than 'old faithful' – Yahoo's Michael Isikoff.

In [2017](#), it was reported that Isikoff's Yahoo report was used to obtain FISA warrants to spy on President Trump while at the same time Isikoff was working with the DNC.

Trump responded to the latest illegal leak from Bragg's office.

“Wow! District Attorney Bragg just illegally LEAKED the various points, and complete information, on the pathetic Indictment against me. I know the reporter and so, unfortunately, does he. This means that he MUST BE IMMEDIATELY INDICTED. Now, if he wants to really clean up his reputation, he will do the honorable thing and, as District Attorney, INDICT HIMSELF. He will go down in Judicial history, and his Trump Hating wife will be, I am sure, very proud of him!” Trump said.

“D.A. BRAGG JUST ILLEGALLY LEAKED THE 33 points of Indictment. There are no changes or surprises from those he leaked days ago directly out of the Grand Jury. No Crime by Trump. What a MESS. Bragg should resign, NOW!” Trump said.
