

## Career US Navy Officer Speaks Out on 9/11 and Other False Flags

### Description

Joe Camera served over 30 years as a commissioned officer in the US Navy from 1983 to 2013. His service included eight deployments overseas with four to the Middle East. He has been married over 35 years and has three grown children. In October 2012, he happened to watch Loose Change 9/11 on Netflix and was shocked to learn that 9/11 was a false flag operation. Since then, he continued to do research on the subject including affiliating with Architects and Engineers for 9/11 Truth. He currently lives in Laguna Woods, CA and continues to seek and speak the truth primarily through support of an organization called Liberty Matters that formed during the Covid lockdowns.
