

Deep State Coup? Former CIA Officer Claims Credit For Trump Loss

Description

Deep State Coup? Former CIA Officer Claims Credit For Trump Loss

By: Daniel McAdams

Former CIA Operations officer John Sipher has bragged on Twitter about the role he played in preventing a Trump victory in 2020.

Sipher was one of the 50 intel officials who signed a letter speculating that the Hunter Biden laptop was “Russian disinformation.”

What’s the point of voting if the spooks are going to fix the elections?

Also today:

US strategy names China as top threat;

US General says “more troops” to Europe.
