

Democrats Vow to STEAL Trucks from American Freedom Convoy

Description

USA: Democrats have vowed to seize the trucks of any American who dares to participate in the American Freedom Convoy that is heading for Washington D.C.

Rep. Ruben Gallego (D-AZ) called for the trucks of protesters to be stolen and then given away to Democrat supporters.

Gallego made the call in response to a news headline that stated: *"Trucker convoy could shut down DC Beltway tomorrow."*

"Perfect time to impound and give the trucks to small trucking companies looking to expand their business," Gallego tweeted with a link to the news report.

The news report that Gallego cited revealed that large numbers of truckers are heading to D.C. to protest against government-imposed mandates and restrictions.

"Law enforcement agencies in Maryland, Virginia and D.C. are monitoring what could be a number of trucker convoys coming to D.C.," the report [stated](#).

“Truckers apparently spurred on by the recent protests in Canada want their voices heard, but the extent of the protests and how disruptive they may be is still unclear.”
