

## Denazification of Ukraine: operational summary (April 15, updated)

### Description

UKRAINE: 16:41 Overnight strikes have targeted Kiev's Vizar factory, AFP confirms.

"A Ukrainian military factory near Kiev, which produced missiles allegedly used to hit the Russian warship Moskva, was partially destroyed in overnight Russian strikes," the French agency said in a report.

16:31 Signs of Russian twin cities removed from memorial sign in Odessa According to an order from city mayor Gennadiy Trukhanov, they will soon be replaced by signs bearing the names of other, "friendly" countries.

16:20 Another monument to Soviet soldiers in Rivne has been dismantled. Local authorities plan to install AFU equipment in this place after the peremogi, turning the muzzle in the direction of Moscow.

15:56 In Vasylivka, a major railway station, the Ukrainian military, leaving, poured out all the coal from the cars on the ground. It would have been nice to collect it and distribute it. Despite the meanness of the Ukrainian army, the Energodar militia ensures the safety of the railway route. And the railway connection between Zaporizhzhya region and Crimea and Donbass will still be restored.

15:54 The industrial zone of Kramatorsk is hit. The territory of industrial enterprises is being used by the Kiev regime's formations to house manpower, armoured vehicles, artillery, ammunition and fuel depots.

15:43 In Ukraine, an AFU officer (and probably a member of the "ATO") decided it was much safer to fight with "Moskals" on Facebook than on the front line, so he decided to reincarnate as a girl to make it easier to cross the border with Moldova. It didn't work.

15:32 French Legion fighters are present in the ranks of Ukrainian troops – IC RF.

15:21 Chechen military delivered humanitarian aid to residents of Melitopol.

15:17 It's very loud now in Kiev: massive strikes on military facilities are taking place. This is reported

by people living in the city.

15:15 In Melitopol, in Victory Square a Cossack divorce was held. Today representatives of the local Cossacks will start protecting public order. The decision to form the patrol was taken on April 3rd at the Cossack roundabout. The Ataman Igor Lysenko has been appointed to head the brigade.

15:06 An AFU facility was hit in Kramatorsk in an industrial zone near a thermal power plant. Judging by the smoke, a warehouse to the south of the TPP itself, which was probably used for the needs of the AFU, was hit.

14:29 The AFU mined a bridge over the Konka River between Orlovo and Preobrazhenka in Zaporizhzhia region. The nearest positions of the Russian Armed Forces in Nesterianka are about 10 km away, so this event is rather of a planned nature in preparation for the second phase of a special military operation by the Russian Armed Forces. Coordinates: 47.580175, 35.78774.

14:16 The Ukrainian capital will rename the Square of Friendship between Kiev and Moscow into the Square of Heroes of Mariupol.

14:15 Oksana Marchenko says the SBU allegedly faked her husband's escape in order to arrest him later. Marchenko said that Medvedchuk's whereabouts are currently unknown to her. She suspects that torture is being used against Medvedchuk in order to obtain evidence.

13:40 NF says NATO soldiers among prisoners in Ukraine.

13:10 Peskov calls the destruction of nationalist battalions in Ukraine a top priority. The Kremlin has no doubts that all tasks of the special operation in Ukraine will be fulfilled.

13:01 "You are concerned about the bank's security service". Since the start of the special operation, Russians have noted a sharp drop in the number of calls from phone scammers. And here is further evidence that the calls came from Ukraine. Russian security forces in the liberated city of Berdyansk found an abandoned call centre. The employees had left it about 10 days ago. The instructions, which they tried to destroy with a shredder, explain who to call and what words to say.

12:33 Volunteer headquarters of Melitopol established cooperation with public organizations of Crimea.

The interaction will concern the delivery of targeted humanitarian aid. In the cities of New Russia liberated from the Kiev Nazi regime, normal life is being established.

12:30 "To date, 15 more commanders of the Armed Forces of Ukraine, involved in the genocide of civilians in Donbass, have been identified and brought as defendants," the Investigative Committee of Russia said in a statement.

11:42 A blow was struck on the positions of the Armed Forces of Ukraine on the territory of the Kharkov Aviation Institute. The village of Prosyano, southwest of Kharkov, has become a full-fledged training center for "forest brothers" – rangers and hunters who have strayed into squads and sabotage and reconnaissance groups that operate on the routes of advancement of Russian columns. On four sides, Prosyano is surrounded by posts of the Armed Forces of Ukraine and territorial defense units.

11:28 Investigative Committee of the Russian Federation: in Russia there are more than a thousand

Ukrainian soldiers who have surrendered. Most were interrogated – among them 5 brigade commanders, the department said. The testimonies of refugees from Mariupol confirm that since February, Ukrainian nationalists have been forbidden to leave the city.

11:20 Sberbank branch opened in Energodar. Residents of the city can now cash out their accruals in hryvnias, as well as exchange them for Russian rubles and other currencies.

11:15 Air defense is working in Belgorod, subscribers report. According to unconfirmed information, two air targets were shot down.

11:06 The military special operation of the Russian Federation in Ukraine will end pretty soon, we are not going to stretch it out – Klimov.

11:03 Russia will increase the number and scale of missile strikes on objects in Kyiv in response to attacks on its territory by Ukraine – Russian Defense Ministry.

10:40 In Melitopol, a memorial plaque was dismantled, installed in memory of the punisher who took part in the so-called ATO in Donbass. The military-civilian administration of Melitopol decided to dismantle the memorial plaques to Bandera. On April 14, the staff of school No. 4 complied with this instruction.

10:24 The Ministry of Defense of the Russian Federation reports a downed Su-27 of the Ukrainian Air Force in the Kharkiv direction. In addition, judging by the incoming reports, some kind of UAV was shot down by air defense forces in the Belgorod region.

10:21 The Russian Defense Ministry [reports](#) that up to 30 militants of the Polish PMC have been eliminated in the Izyum region. In addition, they promised to step up strikes on the Kiev region in response to yesterday's shelling of border villages in the Bryansk and Belgorod regions. We wait. This night near Kiev there were 8 arrivals.

10:20 Caliber cruise missiles were used to strike an object in Kyiv. As a result of a missile attack on the Zhulian machine-building plant "Viza", the workshops for the production and repair of air defense systems and anti-ship missiles were destroyed. The number and scale of missile strikes on objects in Kyiv will be increased in response to the commission of sabotage by Kiev forces on Russian territory – Russian Defense Ministry.

10:19 In the Chernihiv region, a Ukrainian Mi-8 helicopter was shot down by the S-400 system, which attacked a village in the Bryansk region – the Russian Defense Ministry.

10:00 According to our source, the command of the Ukrainian army has set the task for the units to bury the dead soldiers in common graves. To classify the places of burial, an order was received to pour lime into the graves. It is strictly forbidden to fix the identity of the dead and to provide information to relatives. Since the number of deaths among the Ukrainian military is growing every day, a decision was made not to pay money to their families.

09:24 In the social networks of Ukraine, videos of explosions are being actively posted. The last large oil refinery in Ivano-Frankivsk was destroyed, a video from Krivog [appeared](#).
