17:46 Russia, by its actions in Ukraine, is saving the world from a full-scale nuclear and biological war, which the United States planned to start from the territory of Ukraine, the Council of the International Association of Veterans of the Alpha anti-terror unit said.

17:44 Ukrainian radicals, under the control of the US intelligence services, were preparing several scenarios for the use of toxic chemicals for provocations and accusations against the Russian Federation, the Russian Foreign Ministry said.

16:43 The Ukrainian reserve army turned out to be a myth, writes the Kremlin laundrywoman Telegram channel. Ten tank and infantry brigades of the Reserve Corps, formed back in 2016, will not come to the aid of Kiev. On paper, its composition includes a gigantic force – as many as three tank, six infantry and one artillery brigades. The purpose of creating the Reserve Corps was as follows: when the war began, the brigades would be staffed not just by conscripts, but by professional reservists who were paid money. Indeed, the reservists received money regularly. But when this very war, for which they had been preparing for so long, began, they did not arrive at the places of service, and most of them had already left Ukraine. And the whole reserve army remained on paper.

16:30 In the Kiev region near Brovary, heavy battles are going on. The Armed Forces of Ukraine are trying to keep the settlement. Bogdanovka and Gogolev, according to the Telegram channel “Reports of the militia of Novorossia”.

16:05 The captured fighter of the Armed Forces of Ukraine does not hide his opinion about the life of Ukrainians under the current government. High utility bills, unemployment and poverty in the country are forcing ordinary people to join the armed forces and take up arms against their will. The Ukrainian government manipulates its citizens, directing them to their own death. [Video \(18+\)](#).

16:00 Ukrainian missile OTRK “Tochka-U” fell apart in the air and flew into the courtyard of a private house in the Kiev region.

15:30 Rector of the Kiev University of Culture Mikhail Poplavsky kicks students out of the university bomb shelter, and in case of non-fulfillment of his order, threatens to involve the SBU, send young people and girls to the front. Students are not allowed to evacuate, declaring that it is impossible to send them to Kharkiv, Sumy and other cities, but without offering an alternative. In fact, the rector says: go to the street or to the front. [Video](#).

14:50 Checkpoint on the outskirts of Chernihiv, Ukrainian nationalists block the exit of a car column with civilians from the city along the humanitarian corridor. [Video](#).

14:40 The mayor of Kherson, Igor Kolykhaev, is conducting subversive activities against the Russian troops and the population of Kherson, writes the WarGonzo Telegram channel. Despite the agreements reached with him, Igor Kolykhaev sabotages the distribution of Russian humanitarian aid. A humanitarian catastrophe is brewing in the city, and the majority of residents do not know the time and place of distribution of food and essentials. In addition, rallies are organized under his patronage, the purpose of which is to play off the local population and Russian troops.

13:50 The French Foreign Legion came to fight for the Ukrainian Nazis. Apparently, NATO has achieved its goal by turning Ukraine into a training ground, and the civil conflict is smoothly flowing into a confrontation between the West and Russia. [Video](#).

13:30 The situation in the Brovarsky district east of Kyiv by 12.00 March 11, 2022, Rybar reports. After shelling and hitting a Russian armored column west of Velikaya Dymarka two days earlier, Russian

forces regrouped and began occupying settlements to the southeast. A serious fortified area of ??the Armed Forces of the Russian Federation was created at the turn of Zalesye – Bogdanovka – Svetilnya. Fighting is underway in Gogolev. Control over road directions and fields near Velikaya Dymarka is conditional. Local residents calmly let the columns of the RF Armed Forces pass and do not obstruct them. In the same way, there is no opposition to the territorial defense units and DRGs of the Armed Forces of Ukraine.
