

Denazification of Ukraine: operational summary (March 23, updated)

Description

12:05 Over the past day, the forces of the Russian Armed Forces hit 97 objects of the military infrastructure of Ukraine

11:42 At the arsenal in Orzhev, 14 km northwest of Rivne, a large arsenal with weapons and military equipment of the Ukrainian troops, including those received from Western countries, was destroyed

11:25 One of the divisions of the 96th Anti-Aircraft Missile Brigade of the Armed Forces of Ukraine was hit near the Danilovka settlement

10:50 Ukrainian Armed Forces placed the AN / TPQ-48 radar station on the Kharkiv high-rise building

09:44 The Russian Ministry of Defense published footage of the destruction of the hangar of the Armed Forces of Ukraine by army aviation helicopters.

09:27 A checkpoint of the Armed Forces of Ukraine was destroyed near Chernihiv. The Russian army launched an artillery strike on it.

08:55 Ukrainian politician and journalist Anatoly Shariy said that as a result of the strike on the barracks of the 79th Special Operations Brigade in Nikolaev, 294 Ukrainian militants were killed.

08:49 The Kiev regime is rapidly running out of weapons and ammunition. The West did not count on such swift hostilities and did not prepare additional supplies to Ukraine.

8:41 Fighting in the suburbs of Kyiv continues. Smoke rises over Irpen.
