UKRAINE: 16:04 Explosions are heard in the Nikolaev region.

16:04 There were two explosions in the vicinity of Bukovel in the Ivano-Frankivsk region.

16:03 According to media reports, the President of the Czech Republic allowed 103 citizens of the country to join the Armed Forces of Ukraine.

16:03 Kharkiv got rid of Moskovsky Prospekt and district, Belgorod highway and descent. In Kharkiv, the names of four toponyms associated with the aggressor country have been changed. The corresponding decision was made on May 11 at an extraordinary session of the Kharkiv City Council, the mayor's office reported.

15:10 Former Ukrainian military spoke about bullying during the service because of the Russian language. Former Ukrainian soldier Daniil Kovalev told military investigators of the Russian Investigative Committee about bullying during service because of the Russian language.

According to the man, most of his colleagues in his unit were from the western regions of Ukraine and considered Kovalev a "separatist", they addressed him as "katsap" or "moskal", entrusting the most difficult and dirty work.

"One sergeant... said that I was a fascist, began to suspect me of something and locked me in a dog kennel, in a cage," he said.

And someone still doesn't believe in the Russian genocide in Donbass... Ucronazis don't even consider "their" people if they speak Russian.

15:08 A powerful explosion thundered behind the back of the Ukrainian militants during the filming. The Russian army hit the location of the militants in the Kharkov region.

14:33 Residents of the Kherson region should decide for themselves whether or not to apply for the

region to join the Russian Federation, the possibility of including the Kherson region in the Russian Federation should have a clear legal justification – Peskov.

14:26 Kherson region decided not to hold a referendum on joining the Russian Federation, the region will try to become part of Russia without this procedure – the authorities of the region.

13:51 A Ukrainian drone was shot down in the border zone of the Kursk region, there are no casualties and no damage – the governor.

13:16 Passenger trains – Stremousov – will be launched between Kherson and Crimea.

“The passenger direction will be restored after the Liberation of Nikolaev, Odessa. When it is safe, we will launch a passenger route with the Republic of Crimea”, said Stremousov, deputy head of the military-civil administration of the Kherson region.

13:16 The government of Ukraine has approved a document according to which Russian assets in the country become the property of the state, said the head of the Ukrainian Cabinet Denys Shmygal.

12:41 Poland no longer hides its participation in the war in Ukraine. A document has leaked to the network, which indicates that the regular military of the Polish Armed Forces are sent to Ukraine. The leadership of Poland has long wanted to appropriate part of the “independent” land for itself, and now is the best time for this. While Ukraine is at war with Russia, Poland is slowly but surely moving towards its goal.

12:38 The US State Department recommended spreading fakes aimed at dehumanizing, dehumanizing the political and military leadership of the Russian Federation – Naryshkin.

12:15 Over the past two days, the activity of tactical aviation of the Armed Forces of Ukraine has increased in the Nikolaev-Kherson and Kharkov directions.

Yesterday, 5 sorties of Su-25, Su-27 and MiG-29 aircraft were made from the air bases of Dolgintsevo in Dnepropetrovsk and Vasilkov in Kyiv regions to the area of ??Nikolaev and Snigirevka. There were 11 MiG-29 and Su-25 flights from the Dnepropetrovsk airport to the Barvenkovo ??area. Despite missile strikes on the infrastructure of airports and airfields, aviation continues to fly from forward bases, using the tactics of constant change of location.

12:13 The goals of the special operation will be achieved – Medvedev.

12:13 The goal of US support for Ukraine is to continue the proxy war against Russia, the desire to inflict a heavy defeat on the country, limit its economic development and political influence in the world.

The USA will not be able to limit the economic development of Russia and its political influence in the world, “their printing press will break faster.”

11:06 FSB officers detained an extremist in Kaliningrad. It is assumed that he planned a terrorist attack against one of the military units of the RF Armed Forces on the eve of Victory Day. After that, the young man wanted to leave to fight in Ukraine. Its curators were the field commanders of the Ukrainian “Right Sector” banned in Russia. The search revealed that the detainee was holding an improvised explosive device in the apartment.

10:45 The West has not yet provided Ukraine with financial credit assistance for “life”. The Office of the President asked for at least \$5-7 billion a month, while the EU has allocated \$600 million at a time. Also, before that, all countries chipped in a couple of tens of millions, which gave Ukraine the opportunity to hold out for these 2 months. The rest are mainly loans used to purchase weapons. Now the Ukrainian economy is saved by the fact that the mass sale of grain from storage facilities. The future is very hazy. If there is no money to maintain financial stability in the country, then there will be a further collapse of everything.

10:44 Russian humanitarian aid has been delivered to Kherson. Assistance in issuing food packages was provided by local volunteers, and Russian military personnel ensured the safety of the humanitarian action.

10:22 Pentagon spokesman John Kirby openly admitted that the West has been preparing and supplying the Ukrainian army for combat operations for eight years.

10:14 A supporter of the Right Sector* was detained in Kaliningrad, who planned on the eve of May 9 to commit a terrorist attack against soldiers of one of the Russian military units, and then leave to fight in Ukraine – FSB
