

## Doctor Called Out Physicians For Being Complicit In-State Sanctioned Murder For C-19 Mandates!

### Description

USA: Doctors started raising their voices and explaining the truth!

The vaccines are killing people! They are a bioweapon designed to kill the world population, and it's created by the globalists, just as the virus!

Alex Jones breaks down the video of Dr. Roger Hodkinson calling out his fellow medical professionals for being complicit in state-sponsored murder for their medical tyranny C-19 response.
