

## Doctors Died After Fourth Covid-19 Booster Shot. Where Are the Autopsies?

### Description

*CANADA: Three doctors from Ontario died after the hospital where they worked started administering the fourth booster shot to their staff.*

*Is it a coincidence or are they victims of this diabolical worldwide vaccination campaign?*

Please share- 3 physicians at the Mississauga hospitals have died this week. 1st memo Monday, 2nd Tuesday, 3rd Thursday. Cause of death wasn't shared in the memo, but how many times have 3 doctors died in 1 week, days after the hospital started administering the 4th shot to staff. This is in addition to the physician who worked at north York general who died this week while out running. How many more "coincidences" will people accept. These shots need to be pulled 💔

It is with heartfelt sorrow that we share the news of Dr. Lorne Segall's passing on Sunday, July 17, 2022.

Dr. Segall joined Trillium Health Partners in 2007 as an Otolaryngologist at Credit Valley Hospital and served as Division Head of Otolaryngology from 2016 to 2017. His generous contributions and support to Trillium Health Partners' Otolaryngology services played a pivotal role in the success of our Otolaryngology Program.

Dr. Segall was an outstanding and compassionate clinician, and quality patient-centred care was at the centre of Dr. Segall's focus. Always the consummate gentleman and an all-around great person, he truly embodied the spirit of teamwork. Dr. Segall is survived by his wife and three children.
