

Dr. Carrie Madej: Shocking Warning About Monoclonal Antibodies (Must See Video)

Description

USA: In this riveting interview, Dr. Carrie Madej exposes the shocking truth about Monoclonal Antibodies. If you plan on taking the covid vaccine you should watch this, she goes into detail about who is making them how they are made, what is in it, how it can permanently modify the human genome, nanotechnology that is in them, how it will barcode us for identification, that we could expect increased cancer rates, mutagenesis, autoimmune disorders etc... She questions why is the DOD and DARPA involved in the creation of these vaccines. She also states that as long as there are alternatives the vaccines can't be forced on to us, and questions why are alternatives being censored and doctors being silenced over them?
