

## Dr. David Martin: We Are Allowing Human Organisms To Become Bioweapon Factories

### Description

So we're now up to our fourth Covid shot here in the U.S., and Fauci is talking about possibly doing another round of lockdowns too. Heck, it might happen. Half this country are sheep and will fall for anything, it seems.

Dr. David Martin recently warned what the ultimate long-term purpose of all this will be: Exposing humanity to constant forcible gene editing via mRNA vaccines and who knows what else. Dr. Martin will also be speaking at the April Let's Go Brandon Rally, and he joins us now.

The opinions expressed by contributors and/or content partners are their own and do not necessarily reflect the views of Red Voice Media. [Contact us](#) for guidelines on submitting your own commentary. Red Voice Media would like to make a point of clarification on why we do not refer to any shot related to COVID-19 as a "vaccine." According to the CDC, the definition of a vaccine necessitates that said vaccine have a lasting effect of at least one year in preventing the contraction of the virus or disease it's intended to fight. Because all of the COVID-19 shots thus far available have barely offered six months of protection, and even then not absolute, Red Voice Media has made the decision hereafter to no longer refer to the Pfizer, Moderna, or Johnson & Johnson substances as vaccinations.
