

DR. REINER FUELLMICH – ABOUT FAULTY PCR TESTS, CRIMES AGAINST HUMANITY & CLASS ACTION LAWSUITS!

Description

Dr. Reiner Fuellmich discusses the very hopeful legal actions that occurring worldwide right now to go after the criminal perpetrators of this massive Covid19 Plandemic that is being used for the Great Reset plan of the globalists. He details the flawed PCR test that is the crux of this deception and that class action lawsuits have been and continue to be filed in courts around the world. The criminals will be forced out of office, and perhaps arrested and jailed for crimes against humanity. THEN, the world will change for the better.
