

Dr. Robert Malone: COVID Is Just a Skirmish—We Have a Much Bigger Problem (VIDEO 2 min)

Description

“[The WEF] has a clear agenda which is not aligned with the U.S. Constitution... They are actively trying to advance the cause of a one-world government that will supplant national governments... I really do feel that this COVID situation is just a skirmish, and the bigger battle is against censorship, control, and a growing global totalitarianism.”
