

Elon Musk: Pro-Trans Parents and Doctors Should 'Go to Prison for Life' for Sterilizing Kids

Description

Elon Musk is speaking out against the child-destroying trans lobby.

Twitter owner and CEO Elon Musk is calling for pro-trans parents and doctors to “go to prison for life” for the crime of sterilizing children before they are even old enough to give their legal consent. The transgender sterilization and castration of children have been militantly endorsed by the LGBT lobby and are being widely called out as parts of a demonic movement specifically targeting kids for destruction.

“Any parent or doctor who sterilizes a child before they are a consenting adult should go to prison for life,” Musk wrote in a tweet on Friday morning.

The tweet from Musk came in response to a post from “The Redheaded Libertarian,” who had retweeted an MSNBC column that claimed Florida Governor Ron DeSantis, who has taken measures to combat the transgender lobby’s targeting, sterilization, and mutilation of kids in Florida, has a “desperation for power” that is “destroying an entire state.”

The pro-child commentary from Elon Musk prompted several pro-trans Twitter users to fly off the handle, including one who said that Musk should be “ashamed” of himself before admitting that “a child cannot decide for themselves many things,” but claiming that it is up to “a community” to make the decision on sterilizing and mutilating a helpless child.

Musk’s weighing in on the issue of so-called “trans kids” hasn’t come without real-world experience. Tragically, one of his adult children, who has sought to sever all ties with the Tesla founder and Twitter CEO, claims to be transgender, something that Musk blames on “neo-Marxist” forces that have penetrated the American psyche through the education system.
