

Ex-Freemason Revealed The Satanic Secrets Of International Freemasons!

Description

When we write about the evil Freemasons, 98% of the readers understand, but 2 % are furious.

Some of you have some friend and father in the Masons or a Mother and a sister in the women-only groups like Eastern Star and the Job's Daughters.

We can understand the people who have family members in the Mason or some female relative in the women-only groups (Eastern Star/ Job's Daughters), but these are at a low level, who think they are helping our country.

Of course, that's the plan of the Masons.

Masons say they support higher power. But, when you reach the 32nd and 33rd degrees, you will realize that the higher power is **LUCIFER**.

Precisely because they are an evil organization, I post it immediately whenever I find some helpful detail for their exposure!

Now, we have a video where two former Masons who were at the upper levels speak about the secrets in the organization. These people are risking their lives by exposing those secrets.

Watch the video on [Rumble](#).

Now we can dig deeper. At the top degrees, people will realize that Masons aren't following the Bible, God, or Jesus.

These people worship SATAN.

LUCIFER-SATAN-THE BAPHOMET! – all these are demonic fallen angels.

One video appeared in my feed, and I thought it was worth watching, so I shared it here.

And we have a YouTube backup.

However, to keep the public's attention, you have to show them pictures and videos.

Max Simms is our loyal reader and author of the book "[When Good Men.](#)" The book represents a mission against human trafficking and child sex trafficking.

Printing many statistics and giving them to the people to convince them of the problem isn't working anymore. The best option now is to share the message through art! The art, in this case, comes as a fictional novel!

Below you can read how Max explained it to us!

I spent several years researching and interviewing therapists, dozens of case studies of children who were victims of Satanic ritual abuse (mostly multi-generational), mind control resulting in dissociative identity disorder. I took all that I learned and put my research into a fictional account of which average people would be able to relate to. A book that exposes the cabal but in a way that is not too graphic for the sensitive, a novel that will not bring nightmares but bring awareness... it was a tough balance. My book is a supernatural thriller, and the setting is in the Lakes Region of NH; a beautiful setting contrasting with the evil undergrounds. There is a lot going on in this book, as there is a lot going on in today's world."

Eliminating the evils of satanic ritual abuse and child sex trafficking are Trump's two main aims!

In the book, Max refers to the Masons with the word "Network."

If you want to read more on the Freemasons, we have covered them numerous times. In addition, you will read part of those articles. Once you finish reading, you will know the essential truth about the evil organization.

RED ALERT!

We are aware that some of you despise us because we write something terrible for the Masons! Maybe your father was a Freemason, and he was a good person!

Yes, that's for sure. But that's very rare.

And you know what, we are writing only the truth, we won't say something that you would like to hear, but the truth. You're all aware that the Masons are a demonic secret society, and I have said it before.

They are good people only on the surface, but deep inside them, they are evil!

They do "charity work"...

Perhaps your father/mother/ sister is part of the Masons or in some sister organization!

Those organizations claim to support “higher power”... But once you reach the 32nd and 33rd degrees, you will realize that the power is LUCIFER!

Spoiler alert!

That is the topic of our article!

Lucifer-Satan- the Baphomet

They are all some fallen angels in Hell! They are demonic!

I found one video a few days ago, and I thought it would be perfect if you could see it too.

The video exposes the Baphomet and all the symbols. Also, it reveals the connection to the demonic Freemasons.

Watch the following video.

YouTube backed it up.

I hope we will open your eyes.

Have you seen some more extensive group of D-O-R-K-S?

Please take a closer look, and they are playing dress-up, which was supposed to leave at the age of 9.

In case you don't know the point of the article, bear in mind that we won't apologize.

We will dig so much that you will realize that the Masons come directly from Hell.

I have to say this, the majority of Masons are good people.

You know why, because they don't know what's going on. Some of them will reach a certain degree, and they will remain at the same spot. At that point, those don't even know what is going on. The Masons at the lower degrees think that they are doing well for the people.

We can compare this organization to the FBI. FBI is rotten as Hell, but many people are doing their job perfectly, and they are serving the U.S. as they should.

It is the same case as the Masons.

If your dad was a Mason, and you think he was a good person, I believe you!

But, that's their PLAN, and your father was part of it, unconsciously.

Maybe we have a problem with the Shriner's Hospital?

The Bible about Satan says, "he masquerades as an Angel of Light." Precisely that are the Masons.

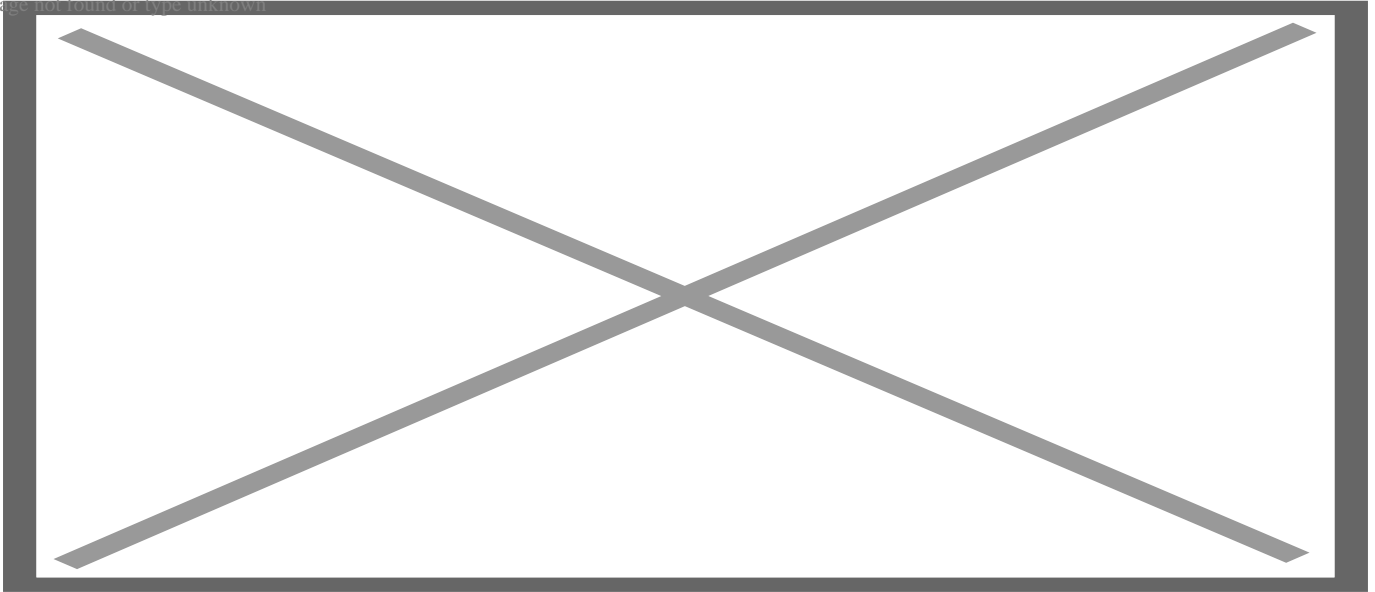

From the point that we are seeing, the Masons are Christian, but if you do a little research, you will know that they are evil, and you will find a lot of other esoteric and pagan CRAP.

You can notice that they reference the Bible but not Jesus.

That's the red flag!

Maybe it is a coincidence. Have you ever asked what the G in their logo stands for? Collector's Weekly shared.

"Dating to 18th-century London, Freemasonry is one of the oldest of these operating fraternal orders, although the group's mythology claims it is rooted in the building of King Solomon's Temple around 966 B.C. Like many similar groups, the Masons were borne out of a British craft guild, wherein stone layers learned the tricks of the trade."

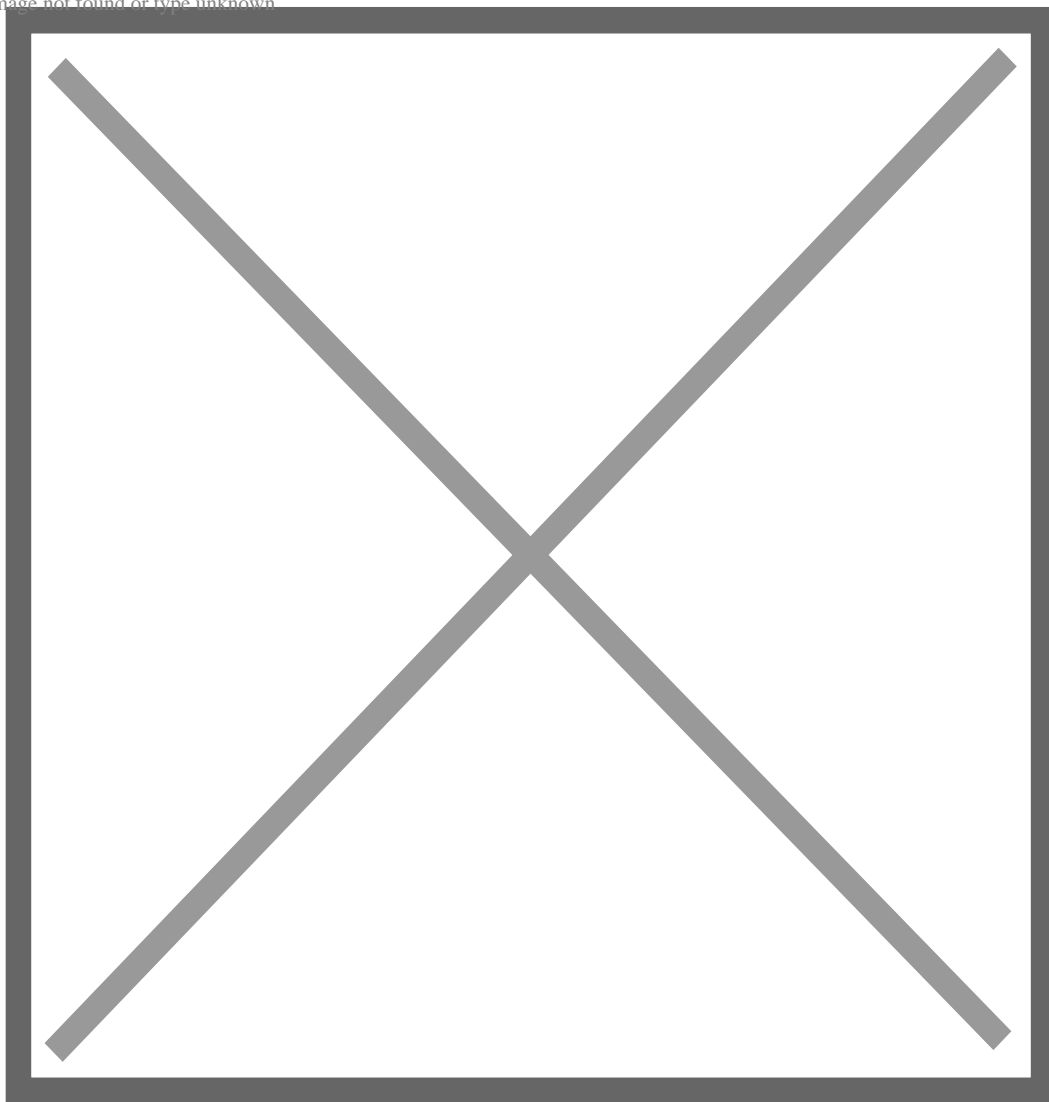

"The concept of freemasonry, which taught architecture and geometry, goes back thousands of years," Lettelier says. "The Greek temples, the pyramids in Egypt, you name it—none of that could have been built without a knowledge of mathematics. So whenever you see the square and compass with the letter G in the center, that stands for God or sacred Geometry."

When you reach the 33 degrees of masonry, you will understand that God is "Satan". The Masons are always saying God, but with a different connotation than ours.

"Sacred Geometry" doesn't ring the bell?

This term isn't mentioned in the Bible, and this phrase is highly blasphemous.

The triangle is prevalent.

The skull and bones, and there is always that “all-seeing” eye—the black and white floor. There are two pillars.

“As above so below” imagery is predominant.

It is something demonic.

[Occult World](#) covered the story.

"The Catholic Church takes the structure of Freemasonry very seriously, forbidding membership by any Catholic. The Vatican issued its first papal condemnation in 1738, decreeing excommunication for any Catholic Freemason. Many Catholics were originally Masons, including Vatican prelates, and church officials often turned a blind eye, especially in England. The Greek Orthodox Church condemned Masonry in 1933 as a heathen mystery religion. Stephen Knight, author of Operative Masonry, claimed that during the ritual for the Holy Royal Arch candidates learn the secret name of God—Jahbulon: Jah for Yahweh, Bul for the Canaanite fertility god Baal, and On for Osiris. Such references, he contended, proved devil worship.

Freemasonry, as well as Rosicrucianism, received a boost in popularity with the 2003 international bestselling novel The Da Vinci Code. Author Dan Brown ties Rosicrucianism and Freemasonry to the legends of the so-called Priory of Sion, a secret order descended from the lost Knights Templar, to prove that Mary Magdalene is the real holy grail."

You can notice that they always mix something Christian with Pagan.

The name of God is a mixture of Yahweh and Baal? Blasphemous to the highest degree.

Some of you are visual learners, so we will give you some videos to do a fantastic job.

All the groups are evil.

The Freemasons, The Rainbow Girls, Job's Daughters, The DeMolay...

Maybe Satan has numerous names, but these have dozens of names and only one evil root.
