

FAUCI WARNS REFUSING VACCINATION SPLITTING US INTO TWO COUNTRIES, JUDGE SENTENCES MEN TO VACCINATI.. (VIDEO 31min)

Description

Fauci Warns Refusing Vaccination Splitting US Into Two Countries, Judge Sentences Men To Vaccination. Dr. Fauci's statements line up with data showing states won by trump are less likely to vaccinate than states won by biden.

Democrats and republicans are so divided on vaccines that now even Fauci is entertaining the idea of a cold civil war or peaceful divorce in the United States.

In one instance a judge is sentencing men to be vaccinated sparking outrage among even leftists and the ACLU
