

## Hillary Was The One That Pushed The Trump-Russia Hoax Till The Bitter End

### Description

USA: With a very obvious reason, of course!

If you were following, and your memory serves you good, you'd remember that the Hillary Clinton campaign was behind an effort to link rival Donald Trump to nefarious Russian operatives.

And to this day, for more than 5 long years, and many resources and investigations spent – there was no evidence.

But that has changed.

Deeds she has done on social media, are now being looked at as evidence, after the claims and suspicions in the Durham probe have been confirmed.

“Clinton herself amplified the claim on social media, tweeting on Oct. 31, 2016: “Computer scientists have apparently uncovered a covert server linking the Trump Organization to a Russian-based bank.”

Attached to the tweet was a statement from then-Clinton policy adviser Jake Sullivan, who alleged that the “secret hotline may be the key to unlocking the mystery of Trump’s ties to Russia,” New YorkPost has reported.

“It certainly seems the Trump Organization felt it had something to hide, given that it apparently took steps to conceal the link when it was discovered by journalists,” added Sullivan, who is now President Biden’s national security adviser.

Earlier that same day, Clinton tweeted: “It’s time for Trump to answer serious questions about his ties to Russia.” The post included four bullet points that alleged Trump had a “secret server” to “communicate privately with a Putin-tied Russian bank called Alfa Bank.”

The New York Times has written 13,569 stories about Trump and Russia.

The Washington Post: 21,636.

How many have they written about Clinton-funded spying of Trump? ZERO.

A full 66% of Democrats want to see Hillary Clinton investigated for any role she might have had in trying to manufacture former President Donald Trump's ties to Russia in an attempt to smear him, according to a new poll. <https://t.co/m6tvDyi1Z7> [pic.twitter.com/txoQD8jKNh](https://t.co/m6tvDyi1Z7)

Now we know. The 2016 Clinton campaign was a criminal enterprise. Paying tech executives to infiltrate Trump servers & the White House. Time for someone to go to jail <https://t.co/JmCWl8RrwW>
