

How 22 Celebrities Reacted When They Learned That Elon Musk Had Just Bought Twitter...

Description

He did it! Elon Musk actually bought Twitter, and I am absolutely thrilled. It is about time that one of these billionaires did something good with their money. The major social media platforms are where we all used to go to debate the issues of our day, but in recent years a wave of extreme censorship has changed everything. Now Elon Musk has liberated Twitter, and that is a victory that we should all celebrate. Without the ability to speak freely, our system of government simply cannot work. So I am very hopeful that Musk will follow through on the promises that he is now making. In the statement that was released announcing the purchase, he made [some pretty bold pronouncements](#)...

“Free speech is the bedrock of a functioning democracy, and Twitter is the digital town square where matters vital to the future of humanity are debated,” said Mr. Musk. “I also want to make Twitter better than ever by enhancing the product with new features, making the algorithms open source to increase trust, defeating the spam bots, and authenticating all humans. Twitter has tremendous potential – I look forward to working with the company and the community of users to unlock it.”

A great place to start would be to remove all shadow bans.

My account has been under a shadow ban for so long that I can't even remember what it was like to have a normal account.

Needless to say, countless other Twitter users are also looking forward to brighter days ahead. Meanwhile, hordes of pro-censorship denizens are absolutely horrified by what just transpired. The following is how 22 celebrities reacted when they learned that Elon Musk had just bought Twitter...

Senator Marsha Blackburn

Today is an encouraging day for freedom of speech. I am hopeful that Elon Musk will help rein in Big Tech's history of censoring users that have a different viewpoint.

Jimmy Failla

Elon Musk is buying Twitter and everyone freaking out drives a Tesla. There's never been a

dumber time to be alive.

— Jimmy Failla (@jimmyfailla) [April 25, 2022](#)

Tim Allen

The little twitter bird has a new owner. Wonder how long it will take for the new shadow ban council to prevent me from saying stuff like: Hunter Biden laptop. Or even more provocative: Tesla in-car fart app? (Love it when driving my Mom.)

— Tim Allen (@ofctimallen) [April 25, 2022](#)

Erick Erickson

We need to thank all the progressives who bought Teslas for making this possible.

— Erick Erickson (@EWErickson) [April 25, 2022](#)

Avi Yemini

I'm GAINING followers for a change.

Thank you, Elon Musk!

— Avi Yemini (@OzraeliAvi) [April 26, 2022](#)

New York Times Columnist Charles M. Blow

Looks like I'm about to say goodbye to Twitter as well. I've been pulling back a bit from social media anyway. This will be just the push I need to go all the way on this app.

— Matt Oswalt (@MattOswaltVA) [April 25, 2022](#)

Congressman Lance Gooden

Elon Musk is buying Twitter.

CNN+ is shutting down.

It's a bad time to be woke.

— Lance Gooden (@Lancegooden) [April 25, 2022](#)

Mike Drucker

If Elon Musk buys Twitter, I'm never signing in again until five minutes later when I'm bored and open the app without thinking

— Mike Drucker (@MikeDrucker) [April 25, 2022](#)

Ice T

It would kinda dope if Musk bought Twitter and just shut it off.... Lol

— Dave Portnoy (@stoolpresidente) [April 25, 2022](#)

Jack Dorsey

In principle, I don't believe anyone should own or run Twitter. It wants to be a public good at a protocol level, not a company. Solving for the problem of it being a company however, Elon is the singular solution I trust. I trust his mission to extend the light of consciousness.

— jack?? (@jack) [April 26, 2022](#)

Elon Musk

I hope that even my worst critics remain on Twitter, because that is what free speech means

These are such troubled times, and people need hope. John 3:16 tells us about the hope that God has given us through Jesus Christ: "For God so

loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.” If you have not already done so, I strongly urge you to ask Jesus to be your Lord and Savior today.
