

## **\*\*HUGE BREAKING NEWS\*\* — Wisconsin Assembly Votes to Advance Rep. Ramthun's Resolution to Reclaim Wisconsin's Electors For President and Vice President That Were Certified Under Fraudulent Purposes — VIDEO**

### **Description**

**USA: The Wisconsin Assembly voted unanimously in a voice vote in a privileged resolution to move forward Rep. Ramthun's resolution to reclaim Wisconsin's 10 electors for US President and Vice President who were certified under fraudulent purposes.**

The voice vote was unanimous and passed the assembly earlier this evening

The legislation will now move forward to the Wisconsin Rules Committee and to the Wisconsin Senate.

**How it happened:** Rep. Ramthun bravely called for a point of order on Tuesday during an open session of the Wisconsin Assembly. He did this by asking for a privileged resolution. His legislation was referred to the Rules Committee per parliamentary rules. Then debate continued on an *existing* Bill 743 in the Assembly.

The resolution was privileged. This way they were able to do a vote within the session that was currently in place. And the result was all "Yes", a unanimous vote to move the legislation to the Rules Committee. It's in the hands of Speaker Vos, a Republican. So Speaker Vos and the rest of the representatives have ten days to answer back on whether he's going to push it to the floor for a vote. It is not clear what the Wisconsin Senate will do with it yet.

## 2021 ASSEMBLY JOINT RESOLUTION

1 **Relating to:** Wisconsin election reform and reclaiming the electoral ballots for  
2 President and Vice President that were certified under fraudulent intent and  
3 purpose.

4 Whereas, the Center for Tech and Civic Life (CTCL) enabled the illegal use of  
5 over 500 voter drop boxes in Wisconsin, infringing Wis. Stat. § 6.87 (6), in all 72  
6 counties under Elections Commission guidance issued on August 19, 2020, and the  
7 use of drop boxes was organized by the Cybersecurity and Infrastructure Security  
8 Agency (CISA), which worked in conjunction with other national organizations like  
9 the CTCL, Center for Election Innovation and Research (CEIR), and National  
10 Conference of State Legislatures (NCSL), which, on October 2, 2020, promoted  
11 CISA's campaign of illegal drop boxes; and

12 Whereas, the Wisconsin Supreme Court stated in *Trump v. Biden*, 2020 WI 91,  
13 "On March 25, 2020, the Dane and Milwaukee County Clerks issued guidance on  
14 Facebook suggesting all voters could declare ~~themselves indefinitely~~ confined  
15 because of the pandemic and the governor's then-existing Safer-at-Home Order.

Representative Ramthun used the rulebook, used the Constitution, and was fearless. He went out there in front of everybody, stopped the session and said, I'm a legislator, and I want you to hear this because that's what the constituents are asking me to do.

The assembly voted on the resolution to have passage to the Rules Committee, to get an opinion to move forward. They could have tabled it. They didn't even have to hear it. But because it was found privilege, they had no choice. And now the legislation moves to the Rules Committee.

So now the legislation moves to the next level, it's still alive, and we'll see what happens in the Rules Committee led by Robin Vos. It's not a done deal, but it's the first time in Wisconsin history that a state Representative has moved to reclaim Wisconsin's 10 electoral ballots.

Ramthun's office is kicking butt and needs to be supported and thanked for doing the right thing for the people of Wisconsin and America. Regardless of where the resolution goes from here, Representative Ramthun has always kept his word to the people of Wisconsin.
