

Is the Gaza-Israel Fighting “A False Flag”? They Let it Happen? Their Objective Is “to Wipe Gaza Off the Map”?

Description

*Early Saturday October 7, 2023, Hamas **launched “Operation Al-Aqsa Storm”** led by Hamas’ Military Chief **Mohammed Deif**. On that same day, Netanyahu confirmed a so-called “**State of Readiness For War**”.*

Military operations are invariably planned well in advance (See Netanyahu’s January 2023 statement below). Was “Operation Al-Aqsa Storm” a “surprise attack” ?

U.S. intelligence say they weren’t aware of an impending Hamas attack.

“One would have to be almost hopelessly naïve to buy the corporate state media line that the Hamas invasion was an Israeli “intelligence failure”. Mossad is one of, if not the, most powerful intelligence agencies on the planet.”

Did Netanyahu and his vast military and intelligence apparatus (Mossad et al) have foreknowledge of the Hamas attack which has resulted in countless Israeli and Palestinian casualties?

Was a carefully formulated plan to wage **an all out war against Palestinians** envisaged **prior** to the launching by Hamas of “Operation Al-Aqsa Storm”? This was not a failure of Israeli Intelligence, as conveyed by the media. Quite the opposite.

Evidence and testimonies suggest that the **Netanyahu government had foreknowledge** of the actions of Hamas which **have resulted in hundreds of Israeli and Palestinian deaths. And “They Let it Happen”**:

“Hamas fired between 2-5 thousand rockets at Israel and hundreds of Israeli are dead, while dozens of Israelis were captured as prisoners of war. In the ensuing air response by Israel, hundreds of Palestinians were killed in Gaza.” (Stephen Sahiounie)

Following the Al Aqsa Storm Operation on October 7, Israel's defence minister described Palestinians as "human animals" and vowed to "act accordingly," as fighter jets unleashed a massive bombing of the Gaza Strip home of 2.3 million Palestinians..." (Middle East Eye). Israel's military **ordered a complete blockade on the Gaza Strip** (starting on October 9, 2023) which consists in blocking the importation of food, water, fuel, and essential commodities to 2.3 Million Palestinians. It's a crime against humanity supplies to its 2.3 million people

This was not a "surprise attack"

"I served in the IDF 25 years ago, in the intelligence forces. **There's no way Israel did not know of what's coming.**

A cat moving alongside the fence is triggering all forces. So this??

What happened to the "strongest army in the world"?

How come border crossings were wide open?? Something is VERY WRONG HERE, something is very strange, this chain of events is very unusual and not typical for the Israeli defense system.

To me this surprise attack seems like a planned operation. On all fronts.

If I was a conspiracy theorist I would say that this feels like **the work of the Deep State.**

It feels like the people of Israel and the people of Palestine have been sold, once again, to the higher powers that be.

(Statement by [Efrat Henigson](#), former IDF intelligence, October 7, 2023, emphasis added)

Ironically, the media (NBC) is now contending that the " Hamas attack bears hallmarks of Iranian involvement"

History: The Relationship between Mossad and Hamas

What is the relationship between Mossad and Hamas? Is Hamas an intelligence asset"? There is a long history.

Hamas (Harakat al-Muqawama al-Islamiyya) (Islamic Resistance Movement), was founded in 1987 by **Sheik Ahmed Yassin**. It was supported at the outset by Israeli intelligence as a means to weaken the Palestinian Authority:

"Thanks to Mossad, (Israel's "Institute for Intelligence and Special Tasks"), Hamas was allowed to reinforce its presence in the occupied territories. Meanwhile, Arafat's Fatah Movement for National Liberation as well as the Palestinian Left were subjected to the most brutal form of repression and intimidation.

Let us not forget that it was Israel, which in fact created Hamas. According to **Zeev Sternell**,

historian at the Hebrew University of Jerusalem, **“Israel thought that it was a smart ploy to push the Islamists against the Palestinian Liberation Organisation (PLO)”**. ([L'Humanité](#), translated from French)

The links of Hamas to Mossad and US intelligence have been acknowledged by **Rep. Ron Paul** in a statement to the U.S Congress: **“Hamas Was Started by Israel”?**

“You know Hamas, if you look at the history, you’ll find out that **Hamas was encouraged and really started by Israel** because they wanted Hamas to counteract Yasser Arafat... (Rep. [Ron Paul](#), 2011)

What this statement entails is that Hamas is and remains “an intelligence asset”, namely “an “asset” to intelligence agencies”

See also the WSJ (January 24, 2009) **“How Israel helped to Spawn Hamas”**.

Instead of trying to curb Gaza’s Islamists from the outset, says Mr. Cohen, Israel for years tolerated and, in some cases, **encouraged them as a counterweight to the secular nationalists of the Palestine Liberation Organization** and its dominant faction, Yasser Arafat’s Fatah. (WSJ, emphasis added)

Netanyahu’s “New Stage” of “The Long War” against Palestine

Netanyahu’s stated objective, which constitutes **a new stage** in the 75 year old war (since Nakba, 1948) against the people of Palestine is no longer predicated on “Apartheid” or “Separation”. This new stage –which is also directed against Israelis who want peace– consists in **“total appropriation”** as well as **the outright exclusion of the Palestinian people from their homeland:**

“These are the basic lines of the national government headed by me [Netanyahu]: **The Jewish people have an exclusive and unquestionable right to all areas of the Land of Israel**. The government will promote and develop settlement in all parts of the Land of Israel — in the Galilee, the Negev, the Golan, Judea and Samaria.” (Netanyahu [January 2023](#). emphasis added)

We bring to the attention of our readers the incisive analysis of **Dr. Philip Giraldi** pointing to the likelihood of a **“False Flag”**.

Is the Gaza-Israel Fighting “A False Flag”?

They Let it Happen?

Their Objective Is “to Wipe Gaza Off the Map”?

*Am I the only one who read about a speech given by Netanyahu or someone in his cabinet about a week ago in which he/they in passing referred to a “**developing security situation**” which rather suggests (to me) that they might have known about developments in Gaza and chose to **let it happen so they can wipe Gaza off the map** in retaliation and, possibly relying on the US pledge to have Israel’s “back,” then implicating Iran and attacking that country.*

I cannot find a link to it, but have a fairly strong recollection of what I read as I thought at the time it would serve as a pretext for another massacre of Palestinians.

As a former intelligence officer, **I find it impossible to believe that Israel did not have multiple informants inside Gaza as well as electronic listening devices all along the border wall which would have picked up movements of groups and vehicles.**

In other words, the whole thing might be a tissue of lies as is often the case.

And as is also ALWAYS the case **Joe Biden is preparing to send some billions of dollars to poor little Israel to pay for “defending” itself.**
