“We did it twice, and we’ll do it again. We’re going to be doing it again a third time,” Trump said before the crowd erupted into an enormous applause. “November 2024 they will find out like never before.”

[Thegatewaypundit.com](#) reports: Trump has consistently implied that he is running, without explicitly confirming it.

“The socialists, globalists, Marxists and communists who are attacking our civilization have no idea of the sleeping giant that they have awoken,” Trump said. “We are a sleeping giant.”
