

Jeff Berwick: The New World Order Of The First Galactic Empire (VIDEO)

Description

Here's a question to ask your Covaxx-taking brethren: Were you on Frodo Baggins and Luke Skywalker's sides in Lord of the Rings and Star Wars? If so, why are you now supporting the empire? The empires which, disturbingly, either closely resemble a certain "secret society" or are based on the One Ring forged to gain dominion over the free people of Middle-earth...

Today's video is a beast. The triple-6, killuminati kind of monster. Complete with Ju-suits and purple witches.

It's a scary one, and you might want to forward some of the parts — especially if you're not ready to open your third eye.

What do the following people have in common?

Benito Mussolini; Heinrich Himmler; Hermann Goering; David Rockefeller; Amschel Mayer Rothschild; Jimmy Carter; James Madison; Harry Truman; George HW Bush; George W Bush; Bill Clinton; Joe Biden; Tony Blair; Nelson Mandela; Ted Turner; Henry Kissinger; Michael Bloomberg; Rupert Murdoch and most of the Royals...

Besides being master criminals against humanity, banksters, fraudsters, Big Media and Big Liars — they all happened to be sworn Knights of Malta.

Now this is where it gets interesting: The Knights of Malta is a Roman Catholic military order controlled by the Jesuit Superior General. And if you think their members are an interesting mix, you would be right.

It is seldom mentioned that the Rothschilds, along with other western bankers and industrialists,

financed the rise of Hitler as a bulwark against the Soviets. The same Rothschilds who are interwoven with the Catholic Church, and, jointly with the traditional mafia and the American CIA, interlocked with the Vatican Bank, which was pro-Nazi. In fact, according to the Jewish Encyclopaedia (Vol. 2, p. 497), the Rothschilds are the “Guardians of the Vatican Treasury”.

Here’s a prime example of how that works:

- Barack Obama’s grandfather is CIA agent Stanley Dunham, whose distant cousins include six U.S. presidents: James Madison, Harry Truman, Lyndon Johnson, Jimmy Carter, George H. W. Bush and George W. Bush.
- Obama’s family and former Ex-Goldman Sachs executive, Ex-Treasury Secretary and World Bank leader, Tim Geithner and his family have been joined together at the hip for decades. Tim Geithner’s father worked for the CIA in the Rockefeller funded Ford Foundation in Asia. Geithner’s father was in charge of micro-finance for the Ford Foundation for all of Asia and Obama’s mother’s boss...
- The Ford and Rockefeller Foundations funded Columbia’s Soviet studies programs through the early 1980s, where Obama was enrolled in a Soviet studies program taught by Zbigniew Brzezinski. And to those who are new to NWO conspiracies, one might wonder who is Brzezinski?
- Besides ALSO being a Knight of Malta, Brzezinski was the former National Security Adviser under President Carter. But more importantly, he was also the co-founder of one of the most influential globalist organizations in all of history, the Trilateral Commission. If you know your New World Order history, you have chills going up and down your spine as you read these words. Because Brzezinski, in his book, *Between Two Ages: America’s Role in the Technetronic Era* (1970), laid out the NWO conspiracy to control all nation states and usher in a totalitarian world government...

It’s all connected. Everyone and everything is connected. And they’ve been brainwashing people for many, many years to believe what they want you to believe.

That’s the reason why now and then I open the door to how you can achieve higher consciousness. Because when you become incredibly aware of what’s going on it makes you stronger.

Something else that definitely will make you stronger is to learn all you can about cryptocurrencies and why some are much more equal than others. Mexico, Argentina and Panama are all making noises about following in El Salvador’s footsteps.

Join us at the June TDV Summit and find out which coin we’re spotting for the same incredible growth as ARRR. You don’t want to miss it!
