

John McAfee discussing the “deep state” (VIDEO)

Description

McAfee was found dead in his cell an apparent “suicide” ? McAfee was a libertarian, advocating the decriminalization of cannabis, an end to the war on drugs, non-interventionism in foreign policy, a free market economy which does not redistribute wealth, and upholding free trade. McAfee supported abolishing the Transportation Security Administration. McAfee contended that taxes are illegal and claimed in 2019 that he had not filed a tax return since 2010. He referred to himself as being a “prime target” of the U.S. Internal Revenue Service.
