

## Kevin Jenkins – The Medical Industry Is Panicking, The Medical Industry The Way We Know It Is Over (VIDEO 29 min)

### Description

Dr. Zelenko launched the Z-Freedom Foundation as his legacy to fight against medical tyranny and find the next generation of medical leaders willing to battle big Pharma and put patients first. Kevin is the co-chair of the foundation. Kevin begins the conversation talking about how the foundation is going to battle the medical industry. The medical industry by pushing their agenda has now destroyed themselves. The medical industry the way we know it will cease to exist.
