14:33 DPR and Russian Federation flags flying on buildings in Mariupol. Photo shows Mariupol building where people are arranging documents for movement in the DPR, here they can also apply for destruction of their homes for further compensation.

14:17 Ukrainian armed formations recorded shelling: 13:30 from the direction of Novozvanovka village towards Pervomaisk village using a 122 millimetre artillery gun (six shells).

14:11 The DNR Special Forces use all available means to open enemy firing points and destroy them. Traditional weapons in combat conditions are often aided by frontline ingenuity. For example, members of the 1st Mountain Dogs of the DNR learned to use copters not only to gather intelligence and adjust fire, but also as “attack” UAVs. A dropping mechanism is attached to the drone and a porcelain mug with an erected (i.e. without a pin) grenade inside is hooked to it. On hitting the target, the mug shatters and the grenade detonates.

13:52 Consequences of the shelling of the Petrovsky district: According to clarified data from the military experts of the JCCC task force of the DPR, the shelling was carried out from the positions of the AFU near Krasnogorovka settlement using BM-21 “Grad” multiple rocket launchers. As a result of the shelling, residential buildings in Udachnaya Street, 64, 68; Katovitskaya Street, 103, 103 “a”, 105, 112, 114, 116 “a” received damage.

13:28 In liberated Novotroitsk and Mirny, “Donbas Post” branches opened

Novotroitskoye settlement at 6, Komsomolsky per;

Mirne, 6 Komsomolskiy lane, Mirne village, centralnaya str.
