

## LIVE UPDATES: Western Countries, UN & OSCE Fail to Condemn Neo-Nazism in Ukraine, MoD Says

### Description

The Israeli government is making efforts to avoid the country becoming a detour for anti-Russia sanctions, Israeli Foreign Minister Yair Lapid said on Monday.

“Israel will not be a route to bypass sanctions imposed on Russia by the United States and other Western countries. The Israel Ministry of Foreign Affairs is coordinating the issue together with partners, including the Bank of Israel, the Finance Ministry, the Economy Ministry, the Airports Authority, the Energy Ministry, and others,” Lapid said on Twitter.

Israel calls for an end to fighting in Ukraine and will do everything it can to “assist mediation efforts, to stop the shooting and restore peace,” Lapid said.

“We are working together with our greatest ally, the United States, and our European friends, to prevent the continuation of this tragedy,” he added.
