

## Martial Law alert: Alex Jones exposes HR 4350 amendment that will give Joe Biden dictatorial powers

### Description

**USA: During the July 17 emergency transmission of “InfoWars,” Alex Jones exposed that amendment to HR 4350, or the National Defense Authorization Act (NDAA), will [let President Joe Biden become a dictator](#) who can launch land, sea and air operations against the American people.**

Jones laid out the “hands-down most powerful and horrible information” his team has ever covered in 28 years. “And if they are able to execute it, it is 1,000 times worse than anything we’ve ever covered. It is HR 4350, in which Biden [or] whoever else the president is will be the dictator,” he said.

He noted that the Democrat leadership has the votes in the House and Senate. And when turned into law, HR 4350 will allow the president to use the military for domestic operations, which Jones described as unbelievably illegal.

“It says the president will have the sole power over the military domestically and Congress will have no oversight. It also says in section 529A, this is absolutely the key, [countering extremism in the armed forces](#) – a purge of the military – of anybody that supports populism or America,” Jones commented while reading the bill’s amendment printout.

“The big takeaway is that there will be no congressional oversight of what the military does. Anything that violates our rights or basic freedoms or the 10th Amendment is null and void.”

The said legislation has been added to the new spending bill last week by Representative Adam B. Schiff, chairman of the House Permanent Select Committee on Intelligence. The amendment is set to be added to the act, which the House plans to take up this week.

“This un-American amendment will fundamentally and irreparably erode Congress’ constitutional oversight responsibility,” said New York Representative Elise Stefanik, a member of the Armed Services Committee and chairwoman of the House Republican Conference.

She added that House Democrats led by Schiff are attempting to cover up for the national security crises of the weakest commander-in-chief in U.S. history.

“Schiff got no attention until over the weekend. The Democratic Party controls the House and Senate to say no oversight over the U.S. military and domestic operations. But more importantly, only the president is in charge of the military. So that’s martial law, that is dictatorial powers right there,” Jones stated.

## **Jones: The New World Order has a deeper agenda**

Jones reminded his audience of what happened 600 years ago with Henry IV, who orchestrated false flags in England so he could go to war with France. He also mentioned that what is happening now could be a repeat of Hitler’s acts in the Reichstag during World War II.

He said that this is domestically against the American people with the backdrop of the worldwide collapse, inflation and a doddering president.

The Democrats will purge the military and defund the cops, Jones said. They will have the mainstream media to back them up, as well as the courts, House, Senate and the presidency through fraud.

“And they’re not going to let us take the country back from them without staging massive false flags as the pretext for this to happen. And I believe the main false flag will be the assassination of Biden, which I’m totally against happening. And they’ve got Governor Gavin Newsom ready to come in,” he further exposed.

“Biden gets assassinated or he dies in his sleep. So a savior comes in, someone that will be given dictatorial power handed by Congress.”

Jones went on to say that this could be the “end of America.” And this is not just in the U.S. as governments worldwide are also collapsing and food is basically non-existent in many countries.

“I said three years ago when the United Nation came out and said there’s food shortages, and [I said] look out they’ve been running their operation. They’ve done that now,” he said.
