

## MEDICIDE: How American Hospitals and Doctors Methodically Murdered Covid Patients

### Description

**NEVER  
FORGET!**

---

**IT WASN'T COVID-19 OR IATROGENIC DEATH AND DISEASE THAT KILLED SO MANY AMERICANS IN HOSPITALS, NURSING HOMES AND ALFS ACROSS THE USA DURING THE PANDEMIC;  
IT WAS MEDICIDE\* VIA THE DELIBERATE WITHHOLDING OF EFFECTIVE COVID TREATMENTS AS WELL AS THE ADMINISTRATION OF LETHAL AND/OR DEBILITATING PROTOCOLS INCLUDING COVID SHOTS**

---

---

**\*MEDICIDE = Premeditated Murder of Patients  
via Medical Means to Include the Concealment of  
Effective Treatments, Use of Injurious Protocols,  
Criminal Neglect in Hospitals, and the Systematic Administration of Fatal  
Injections Misrepresented  
as COVID-19 Vaccines**

---

**Which means that virtually the entire medical profession, that routinely services America's healthcare needs, broke the most basic law of doctoring to a powerless patient—"DO NO HARM"!**

Not only did these cowardly physicians NOT "do no harm", they inflicted untold pain and suffering on the most vulnerable patients in their care.

This national stain on the medical profession will never be washed away. How can such "Intentional Mass Murder, Planned Genocide and Crimes Against Humanity" ever be forgiven, ever be forgotten?

What all of those doctors, who are stone-cold guilty of medicide, could have done is listen to the very few physicians and scientists who courageously spoke the quite obvious truth about how to successfully treat COVID-19.

Much more importantly, the countless genocidal doctors who are rushing and pushing to jab every patient in sight with an extremely dangerous and deadly Covid injection could be paying close attention to those physicians who are writing and speaking truthfully about the untested shots.

This completely avoidable tragedy could have been easily averted had America's doctors stood up to Dr. Anthony Fauci, one of the primary ringleaders of this ongoing genocide.

But instead these spineless cowards went along because of the financial incentives they received to basically kill and/or injure people on a grand scale. Or, they chose to murder their patients in order to avoid being blackballed by their hospital, physician group or professional association.

In other words, these “**Doctors Without Conscience**” would rather commit genocide than heal their patients in the safest and quickest manner. WOW!

Had a critical mass of physicians across the USA followed the chilling facts and transparent truths they could have swiftly formed a bloc that would have easily faced down America’s Dr. Josef Mengele—Dr. Fauci.

By the way, this righteous approach can still be done, and with great effect, should docs in all 50 states speak truth to power like never before. If you’re a physician reading this, please pass this link along to every fellow doctor post-haste; the continuity of this Republic greatly depends upon it.

### **BOTTOM LINE:**

**The Entire American Medical Establishment  
Is Guilty of Intentional Mass Murder, Planned  
Genocide and Crimes Against Humanity!**

### **Conclusion**

Corruptocrats such a Dr. Anthony Fauci must be held accountable for the mass death that they conspired to bring about during this wholly manufactured *Plandemic* and pervasive criminal cover-up. The best way to make a glaring example of them is to hold Nuremberg-style trials that are televised globally as a lesson to every other medical professional who is tempted to violate their *Hippocratic Oath*.

### **Special Note**

Physicians in both the United States and throughout the world community of nations have devised effective treatment plans and formulated potent protocols for COVID-19. Nonetheless, the American Healthcare System has conspired to block the usage of all of them in the USA. In point of fact, **Over a year has gone by and the CDC still has no effective treatment or protocol for COVID-19.** This state of affairs, in and of itself, proves an ongoing and highly organized conspiracy against the American people to deprive them of successful treatments so that *Big Pharma* can vaccinate every citizen with extremely dangerous and deadly Covid injections.
