

## Military report of the LDPR. Situation on the line of contact on April 10 (updated)

### Description

UKRAINE: 18:06 Nazis turn school into ammunition depot in Zachativka, DPR.

17:49 Crews of civilian vessels unable to put to sea due to a mined foreway by Ukrainian Nazis have been evacuated from Mariupol port. The evacuation was carried out by DPR military units under enemy fire, the Donbass Resolves channel correspondent reports from the scene.

17:23 The Ukrainian Armed Forces recorded shelling from the direction: Avdiivka – Yasynuvata: 10 rockets from BM21 “Grad” were fired.

17:20 A second humanitarian aid centre opened in Mariupol. Thousands of Mariupol residents come to the former METRO supermarket every day for humanitarian aid, while people living in areas close to the front line have their kits delivered to their addresses. Since the city is more than 90% liberated, it was decided to set up a second centre to provide more civilians with humanitarian, medical and psychological assistance. The centre is located on the territory of the former eco-market. It is five kilometres away from METRO. Volunteers handed out 2,000 humanitarian kits and free sim cards of the Phoenix mobile operator, and the head of the People’s Druzhina Vladimir Taranenko, member of the People’s Council of the DPR Tamer Abdu and United Russia party supporter Alexander Goncharov donated medical supplies to pensioners. In addition, Russian theatre and cinema actor Rodion Yurin brought children’s toys and things to the centre, and announced a trip to a sanatorium in Rostov region for families with children affected by the Ukrainian aggression.

17:15 Mariupol. There are 24km of tunnels under the Azovstal industrial zone at a depth of 30m. There is also a secret NATO facility PIT-404 and a secret NATO bio-lab with biological weapons.
