

Military report of the LPR. Situation on the line of contact on March 29 (updated)

Description

19:01 The operational line of the JCCC of the DPR received information about damage as a result of shelling by the AFU of the following settlements:

Horlivka settlement (Tsentrally-Gorlivka district):

- 21, 49, Levanevskogo Street;
- Zaboishchikov Street, 6.

18:47 More than 300 people, including 78 children, were evacuated today from Mariupol to the village of Bezimennoye, Novoazovsky district in the DPR.

18:28 A new microdistrict will be built in Volnovakha to replace the destroyed housing – Denis Pushylin.

18:19 Our units are doing their best to have access to the Seversky Donets canal, as originally intended – Denis Pushilin.

18:04 When forming local state bodies in the liberated settlements, we consider local cadres first, if their reputation is not tarnished – Denis Pushilin.

17:50 A DPR soldier heroically saved women and children at the cost of his life during another shelling of Mariupol by Ukrofascists.

17:45 Ukraine cannot be trusted even when it has signed something, it is inconceivable, it is premature to talk about the end of the special operation – Denis Pushylin.

17:43 The Ukrainian armed forces recorded shelling from the direction: Avdiivka – Yasinovataya: 5 shells of 122mm calibre were fired. – JCCC.

17:41 Ukrainian forces shelled Yelenivka in the DPR, firing six shells of 122 millimetre calibre.

17:31 Ramzan Kadyrov offered help in the reconstruction of the Republic, we will definitely accept it – Head of the DPR.

17:30 We are well aware that an alien ideology has been imposed on the residents of the territories temporarily under Ukrainian control by force. I think the period of adaptation will not be long – Denis Pushilin.

17:20 All prerequisites for a tribunal are in place. Those who publish testimonies of their crimes in social networks make our work easier – Denis Pushilin.

17:15 We will absolutely reach the constitutional boundaries – Denis Pushilin.

17:00 More information has been received about the destruction caused by the shelling of the VFU wholesale market area:

gas station at 2b Gorlovskaya Diviziya str;

2b Horlivka Divisia str. Tukhachevskogo, 27 – private house;

ul. 45, Levanevskogo str;

47, Levanevskaya str. Levanevskogo street, 47.

Damage to the roof of a private dwelling house in Mayskiy settlement at 59a Heroiv Perekopa Street was detected.

16:47 AFU shelling Novomikhailovka – Yelenovka: 6 shells of 122mm calibre were fired.

15:41 As a result of the shelling of Golmovsky settlement, the buildings of Golmovsky wastewater treatment plant were damaged. Fortunately, there were no casualties – the workers were taking cover. The extent of the damage is being specified.

15:35 Assistance is being provided to people evacuated from Lysychansk, Severodonetsk and Rubizhne in Starobelsk.

15:30 The 119th humanitarian convoy of the Russian Emergencies Ministry delivered food and construction materials to the capital of the DPR to restore the liberated territories.

15:28 The operational line of the JCCC of the DPR received information about the death of a civilian from Horlivka, born in 1962, at 61 “b”, 8 March Street. And three civilians were wounded on Gorlivska Diviziya Street, Horlivka’s Central City District.

15:17 According to clarified information, residential buildings in Horlivka were damaged at the addresses:

8 March Street, Horlivka. 8 March, 59 (photo 1);

Ul. 8 March, 59a (photo 2, 3);

Ul. 23.

15:02 The operational line of the JCCC of the DPR received information about the death of a civilian as a result of shelling by the AFU in the Central city district of Horlivka. Two other civilians were wounded. The profiles of the victims are being established.

The operational line of the JCCC of the DPR received information about the damage as a result of the shelling by the AFU of the Holmovsky settlement of Gorlovka settlement at the addresses:

- 68, General Antonov Street – a direct hit to a residential house.
- General Antonov Street, 66, 70.

14:34 The mopping up of Maryanka continues. DPR troops occupied a significant part of the punishers' stronghold. Fighting is going on in the area of the heap, where the AFU used to have a long-term observation post.

14:12 The operational line of the JCCC of the DPR received information about damage as a result of shelling by the AFU of the following settlements:

Kuybyshevskyi district settlement "Administration" of Donetsk city:
– 11 and 16 Sofiyskaya Street (multi-family residential buildings).

Gorlovka settlement (Zaitsevo (southern) settlement):

- 5, 7 M. Mazaya St. – a fire was recorded. Reports on the consequences of the shelling continue to come in.

14:01 Shelling is taking place in Zaitsevo settlement. The outbuilding at 7 Mazaya Street is on fire. According to clarified information, a shell burst in the village of Zaitsevo caused a fire. The fire spread to a house on Mazaya Street, 5 – Prikhodko.

13:50 135 settlements of Donetsk People's Republic already liberated, Marinka remains a hotspot for now – Head of DPR.

13:49 The enemy is doing everything possible to make life difficult for the civilian population: we still have problems with electricity and water supply, we have to repair damaged infrastructure under incessant shelling – Denis Pushylin.

13:47 Water is supplied to the Republic from the territory controlled by the FATA, now several stations are de-energized and there is no way to restore them yet because of the active fighting there. Now the construction of the water pipeline from the reserve reservoir is being carried out at an extreme pace – Alexei Nikonorov.

13:45 Metallurgists from Mariupol are offered jobs in similar positions at enterprises in the Republic – Alexei Nikonorov.

13:42 Food kits and fresh bread were brought to Stary Krym. Petrol for household needs was also delivered to residents.

13:39 Italian journalists in Mariupol clearly explained and showed why the allied forces are forced to work on the residential sector and what is really behind the words of Kiev and European politicians and media "Russia is shelling Ukrainian homes". Turning other people's homes into ammunition depots or

using them as firing points? Then don't complain. The Kiev authorities, backed by the West, are doing everything to ensure that Ukrainians have nowhere to return, that anti-Russian rhetoric, along with sprouts of neo-Nazism, flood the Old World and to survive another wave of the refugee crisis

13:32 According to the Territorial Defense Headquarters of the DPR, as of March 29, 2022, a grouping of DNR troops on the territory of the Donetsk People's Republic with fire support from the Russian Armed Forces has liberated and established full control over 135 settlements. Fighting for Marinka, Novomikhailovka and Novobakhmutovka is underway

12:39 27 settlements liberated by DNR forces are connected to power supply, the republic's Emergencies Ministry said.

12:36 Water is supplied to the Republic from the territory controlled by the AFU, now several stations are de-energized and it is not possible to restore them yet, because there is active fighting there. The construction of a water pipeline from a reserve water reservoir is being carried out at an extreme pace – Alexei Nikonorov on air of the First Channel.

11:36 Ukrainian militants opened fire near the Oktyabrsky mine in the Kuibyshevsky district of Donetsk – Kulemzin.

11:15 The southern grouping of militants in Mariupol is cut off. After managing to cut off Ukrainian terrorists in the eastern Left Bank, the allied formations are doing much better in all parts of the front. In addition to being able to sink into the Kalmius district and reach the Azovmash plant, they also managed to cut off the southern grouping of terrorist forces in the area of the Railway Station.

11:02 Ukrainian Forces recorded shelling from the direction: Avdiivka – Donetsk (Kuibyshevsky district): 7 mines of 120 mm calibre were fired.

10:42 Ukrainian troops fired 20 mines at Donetsk airport area.

10:37 As a result of the shelling of the AFU in Gorlovka, Krylova Street, a woman was wounded.

10:00 Due to Ramzan Kadyrov's arrival in Mariupol, Ukraine's air force and artillery activation was observed in the area for the first time in the last two weeks. Yesterday, two Tochka-U missiles, two Bayraktar strike drones and one AFU fighter were shot down by Russian air defence forces while approaching Mariupol. A Ukrainian attack helicopter was also destroyed this morning.

09:34 The DPR Ministry of Communications reported that the operation of the TV and radio broadcasting facility in Volnovakha has been resumed. The town's residents now have First Channel, RUSSIA1 and RUSSIA24 on their screens

09:33 As a result of shelling by the Ukrainian armed forces in the DPR, 2 people were killed and 29 injured during the day. This was reported by Eduard Basurin, a spokesman for the DPR's national army.

09:32 Over the past day, 629 people, including 131 children, were evacuated from Mariupol to Bezymennoye, Novoazovsk district.

09:30 The regional hospital in Mariupol has started working – peaceful life resumes on the outskirts of

07:10 Ukrainian Armed Forces recorded shelling from the direction: Novoselovka – Mikhailovka: 4 120 mm mortars fired. – JCCC.

07:00 JCCC reported shelling of Krasnogorovka – Donetsk, Petrovsky district by Ukrainian militants: 8 shells of 122 mm calibre were fired.

06:30 Ukrainian Forces recorded shelling from the direction of Lastochkino village – Kashtanove village: 20 rockets from BM-21 Grad were fired.

06:20 The Ukrainian armed forces opened fire from Avdiivka to Yasynuvata with four 122 mm shells.
