

## MSNBC Guest Tells Inflation-Anxious Americans: “Stop Complaining... Calm Down”

### Description

USA: Despite inflation consistently polling as Americans’ **top concern**, *MSNBC* guest Michelle Singleton – a *Washington Post* columnist, thinks that a ‘great deal’ of America should just **suck it up**.

“There is a great deal of Americans where it is uncomfortable that they’re spending more, but they are not gonna go under,” said Singleton, adding **“You’ve got to stop complaining.”**

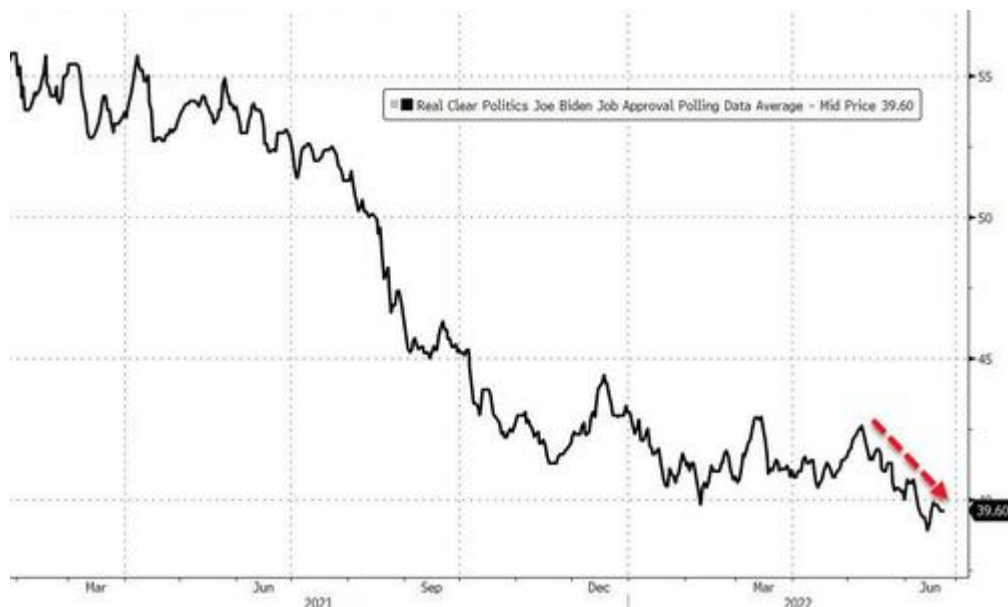

“You still have your job ... **so I’m gonna need you to calm down and back off.**”

MSNBC guest: "There is a great deal of Americans where it is uncomfortable that they're spending more, but they are not gonna go under. You've got to stop complaining ... you still have your job ... so I'm gonna need you to calm down and back off."
