

## Nancy Pelosi's House Democrats Are Accepting Defeat IN 2022 After This!

### Description

#### The Dems' end!

People already know that the Dems will face a catastrophic defeat this year in the mid-terms election!

You can't expect to have different results!

The Democrats didn't do anything to prove that the people were right to "choose" Biden for president.

The entire administration is a disaster!

Harris isn't doing anything; Biden causes only problems, the border situation is a crisis, and many more bad things have happened.

Watch the video below and hear what it has to offer you:
