

NATO was invented by NAZIS after World War II until Today there is the same Ideology which we can see as Europe is embracing the new Fascism and Nazism in Ukraine and Europe itself

## Description

*Ex-Nazis who held high positions in NATO after World War II, fact checkers in the West try to deny this and say it's fake news, but their biography just says it on their own Western invented Wikipedia. Photo: Postimage, Getty images, editing: Mirjam©Photo*

For decades, former Nazis and German war criminals served in the highest ranks of NATO. Most of them were highly decorated Nazis, who later served in top positions in the West German army, and were later promoted to serve as commander and chief of all NATO forces in Europe. Many Nazis, we cannot call them ex-Nazis, because they never renounced the ideology, were also to be found in the West German government until the late 1980s.

**Here are a few examples that can be read on Wikipedia**

**[Adolf Heusinger](#)** (Photo) In April 1961, was appointed Chairman of the NATO Military Committee in Washington, DC, where he served until 1964 when he retired. He was, according to news reports, wanted by the Soviet Union in the early 1960s for [war crimes](#) committed in the occupied Soviet territories.

**[Johann von Kielmansegg](#)** On 15 March 1967, was promoted to Commander-in-Chief of NATO's forces in Central Europe, first in Fontainebleau, France, and then in Brunssum, in the Netherlands. During the Second World War Kielmansegg served in various divisions, staff regiments and fronts in Poland, France and Russia. From 1942 to 1944 he served as General Staff officer to the High Command of the Wehrmacht.

The other high ranking nazis involved in NATO you can look up on Wikipedia, it's real an you can read it on Western sites how the Western world continued to be ruled by Nazis after WWII

**[Hans Speidel](#)** (photo) besides his role in WWII and NATO: According to an article in [Der Spiegel](#), which cited documents released by the [Bundesnachrichtendienst](#) in 2014, Speidel may have been part of the [Schnez-Truppe](#), a secret illegal army that veterans of the [Wehrmacht](#) and [Waffen-SS](#) established up from 1949 in Germany in order to repel an attack either by the Soviet Union or by Soviet-controlled East German police units.

**[Johannes Steinhoff](#)**, involved in Operation Barbarossa was invited by West Germany's new interim government to rebuild the [Luftwaffe](#) within NATO, eventually rising to the rank of full general. Steinhoff became the German Military Representative to the [NATO Military Committee](#) in 1960, served as Acting Commander Allied Air Forces Central Europe in NATO 1965–1966, as Inspector of the Air Force 1966–1970 and as Chairman of the NATO Military Committee 1971–1974.

## The new fascism

Everyone thought that fascism and nazism were over, but actually it just continued after the 2nd world war. As is now known, many senior Nazis were founders of the current North Atlantic Treaty Organization called [NATO](#). Those who were behind the creation of NATO have all died, but their ideology lives on, we can now experience this very well during the conflict in Ukraine.

But not just Ukraine, before that, all the wars the West has started after WWII, they used a substitute word for new [Third Reich](#) or Nazism they call it democracy, it begun in Vietnam and the Middle East and ended up in various other parts of the world.

Image not found or type unknown

Photographs from 1950s newspapers courtesy of [Patrick Savelle](#) who uploaded and saved them. So it was known in the Netherlands but also in the West by the so-called Allies of the time, for example, as the headline says, Hans Speidel a NAZI became the new NATO chief! The same Netherlands that was occupied by the NAZIs voted yes of course! Makes you wonder, the politicians and elites (queen) collaborated voluntarily with the NAZIs?

Johann von Kielmansegg, who, according to the same newspaper reports, was responsible for the murder of 442 civilians in Eastern Europe, was also allowed to join NATO.

After the Second World War, many senior SS scientists, who had (mass) murders on their conscience by conducting experiments in extermination camps such as Auschwitz, were brought to the US via Operation Paperclip and were able to conduct further research into, for example, deadly experiments which resulted in perhaps the new biological laboratories which the Russian Army found throughout the liberated territories of Ukraine, during the Special Military Operation (SMO). The ideology of having extremely dangerous laboratories throughout the world, is a legacy of the NAZI scientists who were able to go to the US and conducted their “work” for years in the “free” United States of America!

*The most enduring part, or legacy, of Operation Paperclip, is ‘mind control’, and the Nazi psychological and psychiatric staff who were let out under paperclips (this operation got its name ‘Operation Paperclip’ from the method of discretely marking the files of individuals by placing of a paperclip on the top cover, which then resulted in their being, discretely from the Allies, allowed to the USA) title of this operation. These people, it is now public knowledge, were taken in by the CIA to continue mind control experiments under the code name [MK-Ultra](#). The seriousness of her omission arises from the reasonably publicly known fact that this mind control experiment, that has carried horrifically cruel experiments on human citizens of Canada and some Americans throughout late 1940’s, throughout the 1950’s, up to the public cessation of MK-Ultra experimentation and research. MK-Ultra continues today, and has spawned many mass manipulation techniques that are secretly employed today against the human population of the world.*

After the second world war nazism and fascism continued as usual and the German magazine der Spiegel came into possession of documents about a “secret” group called “Schnez-Truppe”.

The [Schnez-Truppe](#) or Schnez Organisation was an illegal clandestine paramilitary organisation formed in West Germany in 1949 by veterans of the Wehrmacht and Waffen-SS under the leadership of [Albert Schnez](#), that intended to fight against the Soviet Union in the event of an invasion.

So it just continued during the cold war as well and it’s not over yet. The “old” Nazis are now deceased but their organization called NATO still exists, initially created to defend themselves after the second world war against a possible attack by the Soviet Union. Now try to attack Russia.

After the dissolution of the Soviet Union, a glorious moment for the new “Third Reich” the West, who directly tried to implement the American capitalist system to control Russia and the ex-Soviet states, which they succeeded quite well, except for Russia and the same Russia, is now again the enemy of the old nazi and fascist minds of the Western so-called “democratic” governments!

**An example of the “new ideology or old” we can see clearly in the current President of the European Union [Ursula von der Leyen](#). The EU that is integrated with NATO and has the same ideology of fascism and nazism! Ursula von der Leyen was born and raised in Brussels to German parents. Her father, Ernst Albrecht, was one of the first European civil servants. A continuation by generations still ruling Europe!**

Grandfather Carl Albrecht was a mystic probably involved with [Heinrich Himmler](#) also a mystiker and a war criminal. Himmler was interested in mysticism and the occult from an early age. He tied this interest into his racist philosophy, looking for proof of Aryan and Nordic racial superiority from ancient times. He promoted a cult of ancestor worship, particularly among members of the SS, as a way to keep the race pure and provide immortality to the nation. Viewing the SS as an “order” along the lines of the Teutonic Knights, he had them take over the Church of the Teutonic Order in Vienna in 1939. He began the process of replacing Christianity with a new moral code that **rejected humanitarianism and challenged the Christian concept of marriage**.

Perhaps now we can see the extension of these deranged ideologies in Europe and the West, the [LGBT](#) ideology imposed by the descendants of Nazi and Fascist supporters.

In another article I have already explained how dangerous the ideology of the Baltic States is. Fascism has never been gone there and has resurfaced in an extreme form after the fall of the Soviet Union.

In conclusion, we can say that Ukraine, the Western part occupied part, adheres to the same fascist ideology as the Baltic States, ignited and intensified by the West, which carried out a coup d’etat in 2014, thus giving the Nazis ample opportunity to turn Ukraine into a new fascist state with the help of the “old” fascist states of Europe and the new fascist state the US.
