

Operation denazification of Ukraine: operative summary on April 4 (updated)

Description

UKRAINE: 17:55 A large number of military and dual-purpose cargoes from Romania have been arriving in Chernovtsy region under the guise of humanitarian aid over the past week. They are placed in small localities in order to avoid detection and central destruction. One of such places may be former ammunition depots near the village of Kamennoye.

17:39 To the south of Poltava, between the settlements of Shcherbania and Velyky Trostyanets, there is a permanent deployment point of a separate radar reconnaissance company (c/o A-2057), part of the 164th radio technical brigade of the AFU.

Several radar stations and an underground control room are located on the territory of the unit. To the north there is also a military equipment storage base.

17:07 Rosgvardia special forces liquidated a sabotage group and an ammunition production facility in the Kiev region.

16:29 The Russian Air Force has used an X-59M Ovod-M medium-range cruise missile in a strike on the territory of Mykolayiv yesterday.

16:16 Positions of the 164th radio technical brigade of the Ukrainian armed forces have been found in Dokuchayivske, southeast of Kharkiv. Its units occupied the buildings of Kharkiv National Agrarian University.

15:24 The Odessa regional prosecutor's office said the missile strike destroyed fuel tanks, damaged outbuildings and gas communications to the oil refinery.

15:01 Yesterday afternoon, a counter tank battle took place in the village of Brazhkovka (south-west of Kamenka). Tankers from the 13th regiment of the First Tank Army came up against AFU tanks and destroyed 6 AFU tanks in a short-lived engagement, losing one of their own tanks. At the moment the village itself is in a grey zone, with fierce fighting going on for it.

14:38 Arestovich gets on Ukrainian media fake about Azov atrocities in Mariupol posing as murders of civilians near Kiev.

13:52 Russia has requested a UN Security Council meeting on Monday in connection with “the blatant provocation of Ukrainian radicals in Bucha” – Russian deputy ambassador to the UN.

13:42 Russian humanitarian aid delivered to Dneprovka village.

13:03 In Novaya Vodolaga, south-west of Kharkiv, the AFU and territorial defence have set up headquarters in the building of Novovodolazhsky Lyceum No 3.
A large number of armed men are in the settlement and temporary camps have been set up in the surrounding forests for equipment and personnel.

11:45 More than 11.5 thousand refugees from Donbass crossed the Russian border overnight.

10:39 Overnight, the Russian Air Force’s operational and tactical aircraft have hit 14 Ukrainian military facilities. Among them: two command posts, two launchers of Buk-M1 surface-to-air missile systems in the districts of Krasnogorka and Verhnetoretske, one artillery battery, two depots of rocket and artillery weapons and ammunition and three fuel depots, as well as six strongholds and areas where AFU combat equipment is concentrated.

10:27 Russian air defence assets shot down six unmanned aerial vehicles in the areas of Mykolaiv, Kherson, Kurakhovka, Industrialne, Velyka Novoselka.

10:11 An April 3 strike on the Balovne airfield on the outskirts of Mykolaiv confirmed the destruction of three helicopters of the Ukrainian Armed Forces.

10:01 The Russian Armed Forces continue strikes on Ukrainian military infrastructure facilities. On the night of 4 April, an air strike near the town of Lysychansk destroyed the command post of the 24th Independent Mechanized Brigade of the Ukrainian Armed Forces and warehouses with ammunition, weapons and military equipment located nearby.

09:16 The 60th Independent Infantry Brigade of the Ukrainian Armed Forces Reserve Corps reported that it had received 12.7 mm Browning M2 machine guns and 7.62 mm MG3 machine guns supplied by Western military aid.
