

## People's Grand Jury update

### Description

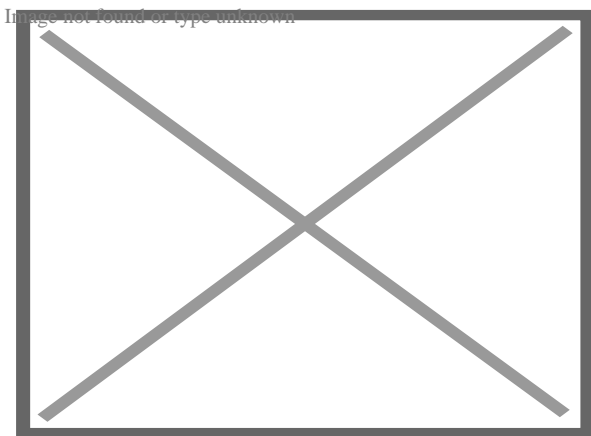

With the news of the the [arrest and detention by the increasingly oppressive Macron regime in France of one of Reiner Fuellmich's Grand Jury lawyers, Virginie de Araujo-Recchia](#), we thought it a good time to bring you an update on the Grand Jury's progress.

The arrest of a lawyer is a pretty desperate measure even by the standards of the unhinged globalist stooge, Macron, It's a pretty sure sign that if one of the Grand Jury lawyers has been arrested, the Grand Jury has certain guilty parties in a panic, its findings looking increasingly likely to topple already tottering subversive governments.

So it is well worth paying close attention to the fascinating proceedings of the Grand Jury.

A [good update](#) can be found on Not.TV, which is a **grassroots start-up [new media](#) initiative well worthy of a feature here.**

The public is the jury in the Nuremberg 2.0 trial, crimes against humanity, led by Reiner Fuellmich, international trial lawyer involving many countries.

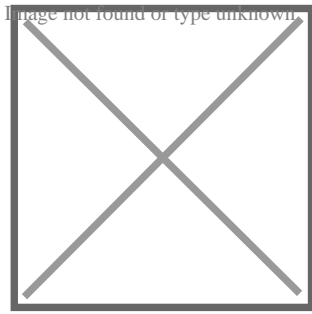

The proceedings have concluded and they should be returning soon after a two week break . The six

trial days are linked below. Each video is approximately five hours long. The public will be provided with 20 minute summaries of each day so that it will be accessible to as many people as possible.

The *Peoples' Court of Public Opinion* works independent of any government and any non-governmental organization. Logistic support is provided by the Berlin Corona Investigative Committee

Empowering Public Conscience through Natural Law  
'Injustice to One is an Injustice to All'

We, a group of international lawyers and a judge, hereby announce that we will conduct a criminal investigation modelled after the United States Grand Jury proceedings.

This Grand Jury Investigation serves as a model legal proceeding to present to a jury (consisting of the citizens of the world) all available evidence of COVID-19 Crimes Against Humanity to date against "leaders, organizers, instigators and accomplices" who aided, abetted or actively participated in the formulation and execution of a common plan for a pandemic.

Crimes to be investigated include all acts performed or omitted by a person in pursuance of a common design to commit Crimes Against Humanity, and all such criminal acts condemned in the various communities of jurors around the world. [READ MORE.](#)
