

Pilot Events: Headline After Headline of Pilot Incapacitations (VIDEO 3 min)

Description

Ex-Jetstar Pilot Alan Dana quickly summarizes several recent worrying headlines. These are just some of many:

November 1, 2022 – Austrian Airlines OS235 from Vienna to Berlin. The copilot vomited over the instrument panel and then leaned on the thrust levers.

November 3, 2022 – Fly Dubai 737. Incapacitated pilot by stroke.

September 21, 2022 – Lufthansa Airlines. First officer collapses on a flight attendant when he's taking a restroom break.

October 22, 2022 – Indonesian pilot collapses in the cabin (caught on video).
