

R. F. Kennedy, Jr. sounds alarm over “genocidal crimes” of Dr Fauci & Bill Gates

Description

USA: The nephew of former president John F. Kennedy makes a video statement that Dr Anthony Fauci and Bill Gates should be investigated for COVID vaccine crimes against humanity.

Kennedy, a lawyer who won a critical anti-vax case against the CDC earlier this year is urging people everywhere to avoid the COVID-19 jab at all costs because it contains an untested new technology known as mRNA, the long-term side effects of which are completely unknown.

mRNA directly alters the genetic material of those who receive it, much like what happens when “scientists” genetically engineer (GMO) food crops like soybeans or corn to make them resistant to bugs or drought.

“This intervention can be compared to genetically modified foods, which are also very controversial,” Kennedy says.

Unlike all other vaccines, the genetic damage of which is not necessarily permanent, mRNA genetic damage is “irreversible and irreparable,” Kennedy notes.

A MESSAGE OF HOPE TO OUR READERS

At Principia Scientific International we have a dedicated team of volunteers devoted to our non-profit mission to expose the truth behind junk science. Also, many thousands of honest scientists, medical professionals and researchers worldwide are assisting teams of top international lawyers to end the mass genocide perpetrated via Big Pharma’s fake vaccines.

In Germany 1,000 medical doctors are united under ‘Doctors for Information’, which is supported by more than 7,000 professionals including attorneys, scientists, teachers etc. They made a shocking

statement during a national press conference: ***'The Corona panic is a play. It's a scam. A Swindle. It's high time we understood that we're in the midst of a global crime.'***

As with climate change and government lies about 'man-made global warming' our scientists and researchers are seeing massive fraud behind the COVID19 'deadly' pandemic. We have supported freedom of information (FOIA) requests to leading western governments, which have admitted they do NOT possess any gold standard isolate of the virus. Moreover, mortality rates around the globe have remained steady or below average, thus affirming COVID19 exists only in the minds of corrupt politicians, vaccine peddlers and biased media hacks.

We have been lied to in a massive international conspiracy among eugenicists and the global elite. A corrupt and psychopathic billionaire class has infiltrated leading science institutions, our education systems, corporations and media with a shared purpose of mass de-population, destroying small/medium sized businesses and the middle classes – all for wealth re-distribution and tamely permitted by the brainwashed masses who are pliant and scientifically illiterate.

Together we must resist this war on humanity and defend our inherent natural right to self-determination and freedom from tyranny.

Support our work and make use of the many thousands of free-to-access articles on our website to become better informed of all sides of the arguments.

Pay special heed to the following facets:

Conflicts of interest issues in this Pandemic

How the Pandemic exposed problems at the very top of the public health system

The malign influence of the Bill and Melinda Gates Foundation on Vaccine development

The hidden agenda of the mainstream media and social media and their part in COVID skeptic censorship.
