

## Reiner Füllmich & 50 Lawyers – The Vaccines Are Designed to Kill and Depopulate the Planet (VIDEO 57 min)

### Description

After hearing the witness statements to the German Corona Investigative Committee by former vice president of Pfizer dr Mike Yeadon who has been a scientist for 36 years, lawyers with Reiner Füllmich draw the same conclusion: The injections normally called Corona vaccines are designed to experiment on the human race and to find out what dosage of a yet unknown toxin is needed in order to kill people. The mortality rate linked to the vaccines, according to Yeadon, is traceable in terms of lot numbers of the different batches, as some batches appear to be more lethal than others. When taking a look at the evidence available, the main goal with the injections all over the world is global depopulation, according to the lawyers involved. Dr Füllmich told Perspektiv that the lawyers preparing an international law suit were no longer in doubt: Poisoning and mass murder through so called Corona vaccines is intentionally being perpetrated on the peoples of the world.

Citizen Journalist Ulf Bittner from EU/EES Healthcare blog and Sverige Granskas stated in the interview that the situation with traceable lot numbers and injuries and death related to lot numbers is similar in the different health care regions of Sweden. Bittner is in contact with a vaccine coordinator who has provided documents to keep track of how many people have been injured and lost their lives related to the different batches of the so-called vaccines.
