

Russia Examines Pandemic Evidence Leading To Pentagon After Assassination of Two US Army Doctors

Description

A sobering new **Security Council** ([SC](#)) report circulating in the **Kremlin** today first noting **President Putin** will meet with **Belarus President Alexander Lukashenko** in **Sochi**, says the announcement of these talks was quickly followed by **Belarusian Defense Minister Viktor Khrenin** noting the **high intensity of NATO reconnaissance activity**, as well as **operational and combat preparations near the Belarusian border**—**NATO** combat preparations preceded by a **Ryanair** flight from **Athens-Greece** to **Vilnius-Lithuania** being **diverted because of a bomb threat and landing in Belarus**—after which **Belarus** police authorities removed from this flight and placed into custody **Belarus** citizen **Roman Protasevich** and his female companion—saw **Protasevich** having been **previously charged with organizing riots and instigating social hatred in Belarus**, while in **Ukraine** he was a **Nazi fighter for the terrorist group Azov Battalion**—facts leading to troubling questions being asked as to who is supporting this **Nazi** terrorist and allowing him protected travel across **Europe**, which **President Lukashenko** posed to the **West** during a **BBC** interview asking: ***“So let his numerous Western patrons answer this question: Which intelligence services did this individual work for?”***—facts about this **Nazi** terrorist well known to the **Western** media—but in suppressing the truth sees them being called out by social media postings like: ***“Anglo-American journalists working the Russia beat doing a bang-up job maintaining disciplined silence over Protasevich’s Nazi ties... You only need state censorship if journalists won’t self-censor, which ours do as a motor reflex”***.

With **Russia** defending **Belarus** in its capture of this **Nazi** terrorist, predictably **new leftist media calls for sanctions are being made**—calls quickly met by **French President Emmanuel Macron** telling reporters yesterday: ***“With Russia, the policy of progressive sanctions on frozen situations is no longer an effective policy...What would you like us to do?...Do we start an armed conflict?...Do we completely cut off relations?...Do we go further with sanctions – but where to?”...We are at a moment of truth in our relationship with Russia, which should lead us to rethink the terms of the tension that we decide to put in place***—a stance consistent with **President Macron’s** past statements, like in **2019** when he said:

“Who is the enemy of NATO?...Russia is no longer an enemy...Russia is also geographically a neighbor and it is a reality once again, and it is also a partner...It is a power with which we work on certain subjects, on which we advance”.

On the opposite spectrum of consistency, however, is the **United States**—whose **Supreme Socialist Leader Joe Biden** a few months ago branded **President Putin** a “**soulless killer**”, and whose **Pentagon** branded **Russia** their most feared “**existential threat**”—but this week saw **US National Security Advisor Jake Sullivan** meeting with **Security Council Secretary Nikolai Patrushev** to arrange a face-to-face sit down between **President Putin** and socialist leader **Biden** scheduled for **16 June**—then yesterday saw **Pentagon Press Secretary John Kirby** stating: “**Nobody’s labeled Russia the enemy... that’s not the phrase that we would use to refer to Russia**”.

As to what caused this head-spinning move by the **United States** to suddenly try and make peace with **Russia**, though, was socialist leader **Biden** and the **Pentagon** being overcome with terror this week when **Chinese President Xi Jinping** “**sent his most trusted foreign policy aide**” **Yang Jiechi** to hold urgent meetings with **President Putin**, along with top Russian military, intelligence and foreign policy experts—a terror also striking **New Zealand**, who as a member of the “**Five Eyes**” alliance with **America** knows its soon coming fate, and is why their **Foreign Minister Nanaia Mahuta** “**has just warned that their tiny nation could soon find itself in the center of a storm of anger from China in only a matter of time**”.

What the head of **China’s Central Foreign Affairs Commission**, and a specialist in **American** affairs, **Director Jiechi** has been revealing in the **Kremlin** over the past few days is exactly why the official position of the **Chinese Communist Party** is that the true origin of the **COVID-19** pandemic is from a laboratory at **Fort Detrick**, a **US Army** base housing a virology facility in **Maryland**—a bioweapon sent to **China** during the **Wuhan** military games in **October-2019**—whose **US Army** participants in the **Wuhan** military games were medically cleared to go to **China** at **Fort Belvoir** in **Fairfax-Virginia**—medical clearances signed by **US Army Colonel Edward McDaniel Jr, M.D.**—but beyond shockingly yesterday, saw **Colonel-Doctor McDaniel** and his **US Army** physician wife **Brenda McDaniel** assassinated in cold blood in front of their **Springfield-Virginia** home located about **14-miles southwest of Washington, D.C.**

In the hours preceding the assassination of these two **US Army** doctors, it was stunningly revealed that socialist leader **Biden** had secretly ended a **State Department** investigation into the origins of **COVID-19**—but when discovered saw **Biden** quickly ordering **US** intelligence agencies to report to him in **90-days** where **COVID-19** originated—that was joined by the **White House** declaring: “**We Haven’t Ruled Out’ Possibility That Pandemic From China Was Deliberately Unleashed**”—though most astoundingly to notice, was **Biden** entrusting this investigation to the exact same spies that foisted upon the **American** people their **Russiagate** lies—the effect of which will see over half of the **American** people not believing a single thing these corrupt spies say, and as best explained by the **Wall Street Journal**, that factually notes: “**Democrats and the media will deny this to their graves, but the wellsprings of American politics have been poisoned for years by the Russia-collusion narrative**”.

”
.

Also immediately following the assassination of these two **US Army** doctors was leftist social media giant **Facebook** [suddenly announcing that it will stop banning claims COVID-19 is man-made](#)—that was even more astoundingly followed by [the US Senate approving with unanimous consent a bill that would require the Biden and the Director of National Intelligence to declassify intelligence on the origins of COVID-19.](#)

With the **United States** now in full protection mode spinning the world’s head off as they rapidly shift their positions on **Russia** and the origins of **COVID-19**, however, **China** isn’t prepared to go down without a fight, as evidenced by their just published state article “[U.S. Elites Degenerate Further in Morality, and Fauci Is One of Them](#)”—a **Dr. Anthony Fauci** who [30-years-ago was openly accused of genocide](#), and [today the evidence continues to grow that he is the mastermind behind the creation COVID-19](#)—and is notable because former top **US Army** intelligence official **General Michael Flynn** has just cryptically stated:

“The people in this country are demanding answers...I believe we what we are going to find out is that this was a weaponized operation by the Nation of China with some collaboration with other countries”.

As to whom “**collaborated**” with elements within **China** to create and spread **COVID-19** for the purpose of destroying **President Donald Trump** and allowing socialist leader **Biden** to seize power this transcript shows the **Kremlin** is attempting to fully understand—an attempt at understanding that in the past few hours saw **Chinese Foreign Ministry** spokesman **Zhao Lijian** declaring:

“I want to emphasize that the Fort Detrick base is full of suspicions...There are more than 200 biological laboratories in the United States spreading around the world...How many secrets are there?”—that was quickly joined by the **Chinese** government making an official statement saying:

“Out of a sense of responsibility towards the health of mankind, Beijing supports a comprehensive study of all early cases of COVID-19 found worldwide, and a thorough investigation into some secretive bases and biological laboratories all over the world...Which will be a full, transparent and evidence-based investigation, and shall get to the bottom to make everything clear”.

With both **China** and the **United States** knowing that **Russia** will accept nothing less than a full accounting of who created **COVID-19**, and the perpetrators of this crime against humanity being brought to trial before the entire world, it was no wonder that **President Xi** sent his most trusted aide to the **Kremlin** this week and socialist leader **Biden** plead for an urgent face-to-face meeting as soon as possible with **President Putin**—powerful countries freely able to present their evidence without fear or favor, but both of whom know the fierce retribution that awaits those who seek to deceive—but even with the **United States** knowing this grave reality, this transcript's final section shows **Security Council Members'** unrestrained fury over socialist leader **Biden** and the leftist **US** corporate media establishment still keeping suppressed from the **American** people the biggest story in the world about "**The Drug That Cracked Covid**"—a drug called "**Ivermectin**" that's **broken the back of the COVID-19 pandemic in India and in Mexico City reduced hospitalizations by as much as 76%**—which leads to questions being asked why people are still needlessly dying in **America** when they don't have to.
