**There's no bigger skunk at the picnic these days than Russia. And, there's simply no stinkier skunk at a Tel Aviv garden party than Sergey Lavrov (see the screenshot of Google News top headlines for May 2, 2022 above).**

Whenever Lavrov tells the truth about the Jewish roots and Zionist support of Nazi Germany, or the Russian Jewish oligarchs holed up in Jerusalem, or Zelensky's Jewish ancestry and strong Nazi tendencies, or Netanyahu's genocide of the Palestinians, Israel predictably gets its tights in a twist.

It's entirely true that Israel will never tolerate hearing the truth that Adolph Hitler was the grandson of a wealthy Austrian Rothschild scion. Which makes him at least 25% Jewish... .. and a member of the Rothschild crime family.

Now here comes Lavrov pointing out these heretofore hidden truths about Hitler and everyone in Tel Aviv gets their knickers in a knot.

Then, when Lavrov correctly states that Jewish Crisis Actor-in-Chief and Presidential Drama Queen Volodymyr Zelenskyy is overseeing the nazification of Ukraine, the Israeli Prime Minister goes ballistic, but not quite like Putin is going ballistic in the Ukraine.

**What a flippin' family feud this is. Epic!  
And it's all comin' out in the wash for the whole world to see

Israel hyper-react to every radioactive truth bomb dropped by Russia.**

After all, that's where the pejorative term — NAZI — originated from because of the hardcore Zionist AshkeNAZI Jews who painstakingly set up the Nazi regime behind the scenes by installing one of their own, Adolph Hitler, as Führer in Berlin.**

As a matter of historical fact, those very wealthy and influential Ashke**NAZI** Jewish bankers and businessmen, financiers and business magnates, capitalists and captains of industry, industrialists and merchants, attorneys and physicians, professors and scientists, etc. were not only all on board the train of Zionism, they formed the tightest conspiracy in world history.

**The end goal of their conspiratorial plot was to establish the United Nations after World War II, which would then be used to unlawfully rubber stamp the founding of the Modern State of Israel after illegally forcing the Palestinians from their ancestral lands.**

Germany's Nazi regime was set up by these top-tier Zionist Ashke**NAZI** Jews so that the good religious

Jews across Europe could be sufficiently scared to relocate to Palestine—POST-HASTE! Which is exactly what they did.

Who would have ever known that their own name — Ashke**NAZI** — would hold the main clue to the primary WW2 back story, and especially to the “Final Solution” and *The Holocaust*.

**So, when the Israeli Foreign Minister incorrectly stated that [“Jews did not murder themselves in the Holocaust”](#) he is speaking with forked tongue ... and every Zionist leader in the world today knows it.**

**All we can say is: Go get 'em Sergey! Drop those truth bombs all day long!**
