

Russians Presentation On US Bioweapons Program In Ukraine! [MUST WATCH]

Description

USA/RUSSIA: You have to see this!

The Russians blame the US government for funding biological laboratories for creating biological weapons in Ukraine, near the Russian Border.

Previously, Victoria Nuland confessed that there are US-funded Biolabs in Ukraine.

However, one day later, Jen Psaki refused all the allegations and called this Russian disinformation.

Now, Russia stated they had found proof about the existence of the labs and asked for an explanation from the US officials.

You can hear their presentation below.
