

Sandra Carmona, Fully Vaccinated Communication Director of the Ministry of Health of La Rioja, Spain 'Dies Suddenly' at the Age of 42 from Heart Attack

Description

In yet another story covered up by the American mainstream media, the world of journalism found out that 42-year-old journalist from La Rioja, has died suddenly without any previous diagnosed disease.

Sandra Carmona was born in Calahorra and is a mother of two children, one girl and one boy, and reports are they she suffered a heart attack during the night, as reported by various media outlets.

She graduated in Journalism from the University of the Basque County. She was the current Spanish Government Director of Health Communications.

42-year-old former journalist and recent Spanish government director of health communications, Sandra Carmona has [#diedsuddenly](#) from a heart attack.?

She was fully vaccinated, and strongly advocated for others to be vaccinated as well. pic.twitter.com/1gMzGYgfPg

According to local media the **Parliament of La Rioja** He recalled it this Friday morning at the beginning of the appearance held by the former President of the Government, Jose Luis Rodriguez Zapatero.

Today is a tragic day. Sandra Carmona has left us. A wonderful person and an exceptional professional who joined the Government to work tirelessly for all the people of La Rioja. We're going to miss you.

?? Hoy es un día trágico. Se nos ha ido Sandra Carmona. Una persona estupenda y una profesional excepcional que se sumó al Gobierno para trabajar sin descanso por todos los riojanos.

Te vamos a echar de menos. pic.twitter.com/9HwsBaaXws
