

Situation Update, Mar 21, 2022 – The DEATH and REBIRTH of human civilization will lead to universal AWAKENING (VIDEO 88 min)

## Description

Unless there is cosmic intervention — which is always a possibility — it is now inescapable that anti-human globalists are going to escalate conflict into World War III and use that conflict to collapse human civilization on planet Earth. This would, of course, lead to the near-extinction of the human race and a planetary-scale genocide event. (Cosmic-level ethnic cleansing.)
