

The American Red Cross: “We Don’t Label Blood Products As Containing Vaccinated or Unvaccinated Blood As the COVID-19 Vaccine Does Not Enter the Bloodstream”

Description

USA: No, it is not satire, it is an actual statement by the [American Red Cross's](#) official Twitter account. The statement was made in reply to a question by a Twitter user.

American Red Cross @RedCross

[@LClaw85 We don't label blood products as containing vaccinated or unvaccinated blood as the COVID-19 vaccine does not enter the bloodstream & poses no safety risks to the recipient. If you have safety concerns about potential blood transfusions, please speak with your medical care team.](#)

Multiple Twitter users were stunned by a blatant lie coming from the American Red Cross and demanded to remove the *dangerous misinformation*.

In case the Red Cross decides to remove it, here are some screenshots for your records:

Is Covid vaccinated blood labeled as such
don't want vaccinated blood?

No they're not kidding. They are, unfortunately,

Or they think you are.

Either way, it's a bad look, @RedCross
